beneath the vatican the darkest secrets are hidden just when you thought you learned all there was to know in the first two volumes of leo lyon zagami s confessions the revelations are deeper and even more twisted in volume iii zagami pushes the boundaries once again with this unique and personal journey into the mysteries of the secretive world of the illuminati in the third book of his confessions series a variety of topics of interest are explored that are always verified with documentation zagami gives an account of humankind s function within the grand celestial battle between the internal controllers of earth and the external knowledge of a new generation of conspiracy researchers this is not a work of fiction but is instead an indispensable tool when used as a manual to finally understand topics never before disclosed to the public from the truth on the mythical knights templars and their role in events leading up to today to the jesuits and their vatican espionage game to the hunt for the holy grail in the heart of the vatican zagami

shocks once again showing to the world for the first time the most credible candidates of the grail mystery with proven testimony of a now declared saint of the catholic church the illuminati exist and they create religions and influence humanity with spiritual ideology and religious practices since the dawn of time they have aided individuals such as aleister crowley and gerald gardner craft the modern witchcraft revival which hides behind a pagan image a satanic reality in tune with todays new age movement zagami also continues what he calls conspiracy reality a way to fight back the system of lies and deceit responsible for the rise of satanism in the vatican showing in the process the magical practices of the illuminati

after his master thesis of the secret societies network as outlined in volume i the confessions of an illuminati narrative of leo lyon zagami is projected to the reality of today including the occult maneuvers behind the new world order we need to wake up beyond our current belief systems because the controllers of the new world order are moving fast using the prophecies to their advantage to implement their evil plan by 2020 when world war iii will finally break loose the author demonstrates that the hierarchy of power emanating from rome and jerusalem with the jesuits and the zionist s united by a secret pact since the second vatican council are in cahoots working towards the creation of a world government there is also china playing a new role in the nwo with the far reaching tentacles of chinese freemasonry manipulating economic hit men and disinformation artists while russia is building their christian orthodox alliance to apparently oppose the western antichrist in this unprecedented scenario we also have the involvement of the big media moguls like ted turner and silvio berlusconi and their role in manipulating perceptions the author discusses further aspects of the satanic infiltration of freemasonry pointing out on the generational aspect the many ways of defending yourself psychically against black magicians but also against the many sects operating in the illuminati network

nothing in this world works the way you think it does there is always more to the story be aware that there is a war for your mind and your soul corporations have taken over governments in a new form of fascism that now incorporates high technology and artificial intelligence the survival of the human race may depend on breaking the embargo of truth and collectively developing an Ü bermind but truth always resonates beyond esoteric takes off the kids gloves and exposes the control grid extending its tentacles across the planet the word occult means nothing more than to study the realm of the hidden so much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know everything we think we know about the world and the universe in which we live whatever we have been led to believe concerning the course of human history could very well be completely wrong distorted and misinformed the 19th century teachers of the occult could never have imagined the ultimate journey of the 21st century we now face one that extends far beyond esoteric
