there are tens of thousands of blogs created every day online most of these blogs are merely hobbies or personal diaries of the people who create them for some blogging is merely a creative outlet to express their inner thoughts or to simply broadcast their opinions to their audience for others blogging is a vehicle for building a business and continuing to do what they love while having control over their destiny this is the reason i developed an interest in blogging to create content people love and to build on something that i have full control over while being able to work anywhere in the world blogging is not something that just about anyone can do sure we can all create a webpage throw up and blog and start posting to our heart's content but that is no guarantee it will be successful whether you count success as having a large following or making an income to support yourself with blogging takes incredible persistence and determination without these your blog will be neglected and fall back in line with the majority that can never make any money treat your blog as a successful business and have a clear vision of the goals you have in mind to take it to the top here are some of the chapters covered in this guide getting started position your blog as a voice of authority outsource to build a blogging team creating a lead magnet the dashboard customizing your website's appearance blog monetization digital products ebooks monetizing through sponsored posts website flipping listicle blogging how to build an email list guest blogging types of content that can skyrocket your blog traffic best blogging resources common mistakes and more this book was designed to help you develop a greater understanding of how blogging can be a serious business that can help you earn serious income if you want to generate six figure income through blogging this book can help you do that remember the process of generating a profitable blog is not an art it's a science there are specific strategies that can be enforced and things that you must consider to generate the income you desire should you follow these steps however then it should be easy and feasible for you to generate six figures or more every single year from your blog scroll up and click buy now button

it was literally insane i was 24 years old and i felt like i was rich i could go anywhere at any time and had no one to answer to at a moment's notice i could book a trip to brazil spain south africa or france what's more i'd make money while i was traveling the catch was i wasn't rich nowhere close don't get me wrong i was making good money i was living in

new york city i could afford to party eat out and even save money but my time wasn't tied to my money i was making money in my sleep and not even trying sounds like the story behind some kind of scam right i thought so too i never bought into book titles like the four hour work week rich dad poor dad or think and grow rich when i talked about my job with relatives and family members they'd raise their eyebrows in surprise they'd look at me doubtfully and say and you can make money at that of course i could after all so many people online were making a killing people couldn't comprehend the fact that i was able to set up a blog so easily and rake in cash even when i was sleeping i had to be lying or doing something illegal otherwise everyone would be doing it this book is going to show you exactly how to start your own blog and turn it into a full time cash generating machine i'm going to give you the keys to the kingdom which will unlock this entirely new career that you never thought possible
