this study guide represents the major product of the talking teaching network's  
 research and development related to the transition to the common core  
 standards the contents of this study guide were developed through  
 collaborations with teachers instructional coaches and school and district  
 administrators at participating districts in california collaborations focused on  
 developing materials and tasks to support educators individual and  
 collaborative study of california's new common core mathematics standards this  
 study guide includes all tasks developed directions for using and adapted  
 versions of the standards themselves through these materials and reports we  
 seek to help educators advance their knowledge and expertise and thereby help  
 their students successfully meet these new and more rigorous but very  
 promising mathematics standards
