translated with introduction and notes by richard cusimano and eric whitmore suger the twelfth century abbot of saint denis has not received the respect and attention that he deserves bernard of clairvaux and peter the venerable have garnered more attention and students of medieval history know their names well in one respect however suger has earned due praise for his architectural innovations to the church of saint denis made it truly one of the most beautiful churches in europe students of history and architecture know suger best for his work on saint denis the burial site of medieval french kings queens and nobility the abbot enlarged decorated improved and redesigned the building so beautifully that it is safe to say that he became the foremost church architect of twelfth century france the man however was so much more than an architect he served as a counselor and member of the courts of king louis vi and vii who sent him across europe on diplomatic missions he represented those kings at the papal curia and imperial diets he was also a close friends and confidante of king henry i of england whom he often visited on behalf of french royal interests never shy suger seems almost obsessed that his works and deeds not be forgotten he acquired numerous properties and estates for his abbey as well as improved the ones it already possessed he built new buildings barns walls for villages and increased the return of grain from all the abbey s lands readers interested in the medieval agricultural system and way of life will also enjoy these texts suger s texts also provide a wealth of information about the events of his era as well as a large amount of biographical material on his accomplishments this translation of his writings intends to enhance his reputation and make his name better known by students at all levels and among those interested in medieval topics

suger abbot of the french abbey of saint denis lived from 1081 to 1151 this book of essays about his life and achievements grew out of a symposium sponsored by the international center of medieval art and by columbia university for the symposium twenty three medieval scholars from all parts of the world representing a wide range of humanistic disciplines were brought together to discuss the varied nature of suger s activities suger has been best known for his contributions as a patron of art and architecture as the essays in this volume devoted to suger s political activities and historical writings demonstrate he was in addition to being a brilliantly innovative patron of architecture an important architect of the french state only by bringing together differing humanistic perspectives on suger and saint denis has it been possible to achieve for the first time a fully rounded appreciation of a man who was at the same time a patron of the arts and literature a politician who

adroitly used his ecclesiastical position to enhance the growth and power of the monarchy and a churchman consistently devoted to the promotion of the cult of saint denis the patron saint of his abbey and of france from publisher s description

based on a fresh reading of primary sources lindy grant s comprehensive biography of abbot suger 1081 1151 provides a reassessment of a key figure of the twelfth century active in secular and religious affairs alike suger was regent of france and also abbot of one of the most important abbeys in europe during the time of the gregorian reforms but he is primarily remembered as a great artistic patron whose commissions included buildings in the new gothic style lindy grant reviews him in all these roles and offers a corrective to the current tendency to exaggerate his role as architect of both french royal power and the new gothic form

this revised edition incorporates the additions and corrections recorded by erwin panofsky until the time of his death in 1968 gerda panofsky soergel has updated the commentary in the light of new material and the bibliography that she has prepared reflects the scholarship on st denis in the last three decades she has obtained some additional and more recent photographs and the illustrations include a new ground plan and a new section of the chevet of the abbey church both drawn under the supervision of sumner mcknight crosby

this volume offers unparalleled coverage of all aspects of art and architecture from medieval western europe from the 6th century to the early 16th century drawing upon the expansive scholarship in the celebrated grove dictionary of art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of western history and international art and architecture
