this book has developed out of a criticism of Mommsen's *römisches strafrecht* published in the English Historical Review for April 1902. I should wish by book to be regarded as in the main a supplement to Mommsen's preface.

documentation is provided for a new system of cartography and typography input to the system is on IBM punched cards. Typographic input is in the Fortran IV character set. A card of textual data is followed by any number of cards of functional data. Mnemonic control codes are provided for the functional data. Samples of output from the new system have been prepared on a mechanical plotter and on a cathode ray printer.
