for the first time this play first performed in 2012 at the national theatre is published in the methuen drama student  
edition series it features commentary notes by nicholas holden lecturer in drama at the university of greenwich uk

that help the student unpack the play's social political and cultural context as well as its themes language structure and production history in tough times the british do what we have always done we muddle through this house is a razor sharp political comedy exploring westminster and the 1974 british hung parliament which provides a timely historical correlative to the current political climate it's the play that secured the then 30 year old james graham's reputation as one of the uk's most important and revered dramatists gaining critical acclaim enjoying a sell out run at the national theatre's olivier in 2013 and being revived in the west end in 2017 when it was olivier nominated with well paced witty and waspish dialogue it explores the childish digs and chauvinistic attitudes that have riddled political life both then and continue to do so now

this one volume guide to a healthy congregation combines the wisdom of a rabbi with the expertise of an organizational development consultant to demonstrate the power of positive relationships and show how to avoid some of the common traps that can lead to serious conflict using the life of the synagogue as its central illustration this book gives vital lessons for congregations of any faith on how to be a healthy community of believers leaders and congregants alike are shown how to incorporate all their gifts for the creation and support of a healthy faith community synagogue life is considered through case studies struggles over what to do with an endowment fund a social action committee that no one joins changing a worship service time clergy transitions which are examined for what they reveal about the struggles of congregations and their leaders to create healthy institutions each chapter integrates organizational theory and faith values in the pursuit of a deeper understanding of synagogue life for non jewish congregations the book offers rich insights into hebrew texts and culture and the common elements between synagogue and church life this house we build enables both clergy and members to learn more deeply about creating

and sustaining communities of faith in the course of inevitable transitions and everyday challenges

until comparatively recent times both the inupiat inuit and the koyukon athapaskans spent the winter in wooden semisubterranean houses for the archaeologist who excavates one of these structures the shared traditions pose a difficult question who lived in this house three such house excavations in the koyukuk river valley provide the basis for this fascinating study of ethnic identity and ethnoarchaeology along the inupiat koyukon cultural interface published in english
