the old world order is fading for generations monarchs held sway but now the reins of power are shifting yet whispers of a return to tradition are growing louder and a bold plan is hatched to reclaim what was lost at the heart of this ambition are three young individuals sergei a descendant of a fallen empire kate with a lineage of her own and katrine tied to their destinies in ways they are only beginning to understand entrusted with their safety are dominic and christine protectors whose loyalty runs deeper than duty as these five lives intertwine bonds of friendship and affection blossom creating a complex web of connections their path towards the future requires knowledge and skill leading them to a unique centre of learning but the journey is fraught with secrets and unexpected obstacles that will test their resilience and challenge the very foundations of their plan betrayals will sting memories will be lost and found and alliances will be forged in unexpected places as they navigate a world on the brink of change these young people will discover hidden strengths within themselves in the face of overwhelming odds can they overcome the forces

working against them and shape the future they envision
