for years rumors circulated in the town of broken edge kansas and elsewhere about the presence of monsters zombies werewolves goblins other creatures from hollywood movies at

only five years old mick johnson learned that the talk of monsters in broken edge was more than just rumor a mysterious group of people came to broken edge looking for these creatures claiming they would hunt and kill them for the good of the town shortly after they arrived broken edge plunged into chaos the hunters the monsters local law enforcement and the national guard battled in the streets leveling the town in an event known as the broken edge massacre young mick witnessed the destruction firsthand causing him to lose his innocence forever after the massacre the hunters disappeared leaving questions about their intentions unanswered now eighteen years later mick johnson is a detective with the broken edge police department committed to protecting a town overrun by monsters mick is still haunted by images of the massacre and determined to prove that the hunters were the ones responsible in soul hunters the strange band of hunters unexpectedly returns to broken edge mick finally has a chance to collect the evidence he needs to connect them to the massacre but mick is shocked to find that broken edge is embracing the hunters return desperate for anyone who will help them rid their town of monsters the townspeople ignore mick s warnings and quickly align themselves with the hunters when mick discovers that a new threat to the town worse than the monsters or the hunters is hunting him seeking the hunters help becomes his only chance of survival

it s true that some people spend years studying german before they finally get around to speaking the language but here s a better idea skip the years of study and jump right to the speaking part sound crazy no it s language hacking unlike most traditional language courses that try to teach you the rules of german languagehacking shows you how to learn and speak german through proven memory techniques unconventional shortcuts and conversation strategies perfected by one of the world s greatest language learners benny lewis aka the irish polyglot using the language hacks shortcuts that make learning simple that benny mastered

while learning his 11 languages and his speak from the start method you will crack the language code and exponentially increase your language abilities so that you can get fluent faster it s not magic it s not a language gene it s not something only other people can do it s about being smart with how you learn learning what s indispensable skipping what s not and using what you ve learned to have real conversations in german from day one the method languagehacking takes a modern approach to language learning blending the power of online social collaboration with traditional methods it focuses on the conversations that learners need to master right away rather than presenting language in order of difficulty like most courses this means that you can have conversations immediately not after years of study each of the 10 units culminates with a speaking mission that prepares you to use the language you ve learned to talk about yourself through the language hacker online learner community you can share your personalized speaking missions with other learners getting and giving feedback and extending your learning beyond the pages of the book you don t need to go abroad to learn a language any more
