front page of the evening sun announcing the death of charles a lindbergh

a biography of lucky lindy the pilot who made the first solo non stop flight from new york to paris in 1927

this is a new release of the original 1927 edition

including the development of aviation epoch making flights of the world s greatest airmen and the history of efforts to bridge the distance between the old and new worlds

jenifer van vleck s fascinating history reveals the central role commercial aviation played in the united states ascent to global preeminence in the twentieth century as u s military and economic influence grew the federal government partnered with the aviation industry to deliver american power across the globe and to sell the idea of the american century to the public at home and abroad the airplane promised to extend the frontiers of the united states to infinity as pan american world airways president juan trippe said as it accelerated the global circulation of u s capital consumer goods technologies weapons popular culture and expertise few places remained distant from wall street and washington aviation promised to secure a new type of empire an empire of the air instead of the land which emphasized access to markets rather than the conquest of territory and made the entire world america s sphere of influence by the late 1960s however foreign airlines and governments were challenging america s control of global airways and the domestic aviation industry hit turbulent times just as the history of commercial aviation helps to explain the ascendance of american power its subsequent challenges reflect the limits and contradictions of the american century

charles a lindbergh aviator adventurer author activist pathfinder fighter pilot conservationist has been forgotten by many americans who no longer remember the checkered legacy of the world s first true media celebrity this book brings back to life that epic career in evocative text and hundreds of photographs many rarely published reawakening the careers of a man and his wife who achieved more in more varied fields than perhaps any couple in history lindbergh s epic non stop flight from new york to paris in a single engine aircraft was the biggest media event in the 1920s and set up the united states to become a world leader in aviation

students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century u s history this guide presents entries on 100 of the most important events and developments in twentieth century u s history organized in chronological order each entry consists of a short description of the event followed by five specific suggestions for term papers about the
