seventy years ago erwin schrodinger posed a profound question what is life and how did it emerge from non

life scientists have puzzled over it ever since addy pross uses insights from the new field of systems chemistry to show how chemistry can become biology and that darwinian evolution is the expression of a deeper physical principle

an exercise in open philosophy a worldview open to the full range of human experience including science spirituality and traditional philosophy naturalism is exposed as a closed a priori worldview god is not an alternative to but the completion of scientific explanation the foundations and data of evolution do not show randomness but mind in nature evolution aims at verifiable targets and develops means in advance of need while god is proven deductively the fine tuning argument makes a strong case despite the anthropic principle the rules of evidence are discussed critically before reviewing data on mind ranging from neuroscience connectionism cybernetics to introspection parapsychology near death experiences mysticism even i thou relationships current theories are inadequate to important data points traditional philosophy suggests a single substance two subsystem theory integrating a data processing brain and an intentional immaterial soul to solve the mind body problem

a map almost ruined our honeymoon it was our second day of marriage and as we were driving up the olympic peninsula to port angeles i found it difficult to read the map and drive at the same time so i handed the map to my debbie and asked her to tell me where to turn as a new believer i felt like debbie someone hands you a bible and expects you to know how to read it jesus had transformed me into a new creation but i was a baby who did childish things and needed a parent to nurture me along and stimulate my spiritual development i hope that in a way i can be that for you as you read the lessons i learned in my pursuit to be a follower of christ such as learning to effectively tell people how jesus changed my life becoming consistent in spending time alone with god letting prayer be a vital part of my life discovering what helps grow my faith finding an easy way to study the bible and mastering sin in my life i thank my heavenly father and lord jesus for my journey because with each lesson i have grown closer to them as that intimacy deepens so does the longing to be with them in heaven my prayer is that this will happen to you as i share my journey with you
