is there an animal doctor in the house most likely the answer is no and when an accident or other emergency threatens your pet every minute counts don t be unprepared open the first aid companion for dogs and cats by amy d shojai and learn basic first aid techniques such as cleaning a wound making a splint and performing cpr step by step which over the counter human medications can help or harm your dog or cat what to keep in your pet s medicine chest many essential items are probably in your house already how to quickly pinpoint what s wrong with your pet using the first aid symptom finder plus you ll discover a comprehensive a to z guide to more than 150 common and not so common injuries and conditions including abscesses bites from animals car accidents choking gunshot wounds heatstroke hot spots jellyfish stings poisoning snakebites each at a glance entry tells you when to call the vet which supplies or medications you ll need what immediate action you should take and what you should do as follow up care by knowing what to do in an emergency

and then acting quickly and confidently to take the proper steps you could save your pet's life the next time medical help is not quickly available reach for the first aid companion for dogs and cats it's a pet owner's second best friend

dogs versus cats this age old contest continues to fuel heated debates around the globe now btg bravely steps in to settle the dispute once and for all greive isn't anti cat he's just pro dog in this first paperback edition of his internationally renowned why dogs are better than cats he champions the many exceptional virtues unique to man's favorite pet for one he believes dogs get people they have superior communication abilities they want to know and help us and their innate sense of loyalty teamwork and justice makes them the truest of companions whereas cats prefer to wait in the other room btg makes his case with his trademark wit and warmth his brilliant original narrative is supported by stunning photography from none other than internationally known animal photographer rachael hale

reproduction of the original the publishing house megalis specialises in reproducing historical works in large print to make reading easier for people with impaired vision

a pet lover and award winning journalist traces the history of cats and dogs and the changing social attitudes that transformed these furry creatures from pests and hunting tools in the middle ages to their current status as beloved family members 30 000 first printing

there are cat people and there are dog people and then there are cat and dog people for those of us who love both cats and dogs offers invaluable tips and strategies for living with pets and taking a look at the world from their point of view praise for cats and dogs frania shelley grielen combines personal affection for animals a synthesis of a wide range of research in animal biology and long experience as an animal behaviorist to give a unique and insightful account into the social and interactive lives of animals she not only dispels common myths cats are solitary and answers important

questions for humans seeking to share their lives with animals how to choose the right match how to introduce animals to your home etc she also gives us a picture of the mental lives of animals and helps us to understand where they are coming from she addresses animal communication and indicates conclusively that not only are nonhuman animals capable of it but that humans usually fail to pay heed to important ways that animals express their moods dispositions and desires this book combines vital practical information for improving the shared lives of human and nonhuman animals it also peers behind the curtain of important cutting edge research in animal mind and sociality to give us a glimpse of what amounts to no less than a renaissance in our human understanding of the matter jeffrey bussolini bsfs phd feline sociologist co director center for feline studies abmsc

called the happy family the cage was always surrounded by a crowd of people curious to see such natural enemies so happy together nothing but the law of kindness could make all those creatures so civil and well behaved to each other but i must not forget my anecdotes of that respectable animal the cat you need not smile i mean to make you respect as well as love cats there are some men and many boys who say they are domestic tigers that they are sly that they steal that you cannot trust them that the cat heart is bad and that there is no harm in boys teasing them since it is no more than cats deserve that they were made for us to plague and that the only good thing they do is to catch rats and mice now if this were true and they were really ever so bad they ought never to be treated cruelly never teased and tormented none but the meanest boy will ever torment any animal he who created us created also the little fly that crawls upon the window pane i am not now thinking of those boys who do not remember or have never learned this truth but of those who have a cruel prejudice against cats of those who are kind to dogs and horses
