William Faulkner

this invaluable volume which has been republished to commemorate the one hundredth anniversary of faulkner s birth contains some of the greatest short fiction by a writer who defined the course of american literature its forty five stories fall into three categories those not included in faulkner s earlier collections previously unpublished short fiction and stories that were later

expanded into such novels as *The Unvanquished*, *The Hamlet*, and *Go Down, Moses*. With its introduction and extensive notes by the biographer Joseph Blotner, *Uncollected Stories of William Faulkner* is an essential addition to its author's canon as well as a book of some of the most haunting, harrowing, and atmospheric short fiction written in the twentieth century.

The text of this Norton critical edition is that of the corrected edition, scrupulously prepared by Noel Polk, whose textual note precedes the text. David Minter's annotations are designed to assist the reader with obscure words and allusions.

By the end of volume 1 of *The Life of William Faulkner*, a filling, satisfying feast for Faulkner aficionados. Kirkus says the young Faulkner had gone from an unpromising self-mythologizing bohemian to the author of some of the most innovative and enduring literature of the century, including *The Sound and the Fury* and *Light in August*. The second and concluding volume of Carl Rollyson's ambitious biography finds Faulkner lamenting the many threats to his creative existence: feeling as an artist he should be above worldly concerns and even morality, he has instead inherited only debts, a symptom of the South's faded fortunes and numerous mouths to feed and funerals to fund; and so he turns to the classic temptation for financially struggling writers: Hollywood. Thus begins roughly a decade of shuttling between his home and family in Mississippi, lifeblood of his art, and the backlots of the golden age film industry. Through Faulkner's Hollywood years, Rollyson introduces such personalities as Humphrey Bogart and Faulkner's long-time collaborator Howard Hawks, while telling the stories behind films such as *The Big Sleep* and *To Have and Have Not*. At the same time, he chronicles with great insight Faulkner's rapidly crumbling, though somehow resilient, marriage and his numerous extramarital affairs, including his deeply felt, if ultimately doomed, relationship with META Carpenter. In his grief over their breakup, Faulkner, a dipsomaniac capable of ferocious alcoholic binges, received third-degree burns when he passed out on a hotel room radiator, where most biographers and critics dismiss Faulkner's film work as at best a necessary evil, at worst a tragic waste of his peak creative years. Rollyson approaches this period as a valuable window on his artistry; he reveals a fascinating, previously unappreciated cross-pollination between Faulkner's film and literary work, elements from his fiction appearing in his screenplays and his film collaborations influencing his later novels, fundamentally changing the character of late-career works such as the *Snapes* trilogy. Rollyson takes the reader on a fascinating journey through the composition of *Absalom, Absalom!*, widely considered Faulkner's masterpiece, as well as the film adaptation he

authored unproduced and never published *Revolt in the Earth* he reveals how Faulkner wrestled with the legacy of the South both its history and its dizzying racial contradictions and turned it into powerful art in works such as *Go Down Moses* and *Intruder in the Dust* volume 2 of this monumental work rests on an unprecedented trove of research giving us the most penetrating and comprehensive life of Faulkner and providing a fascinating look at the author's trajectory from underappreciated writer's writer to world renowned Nobel laureate and literary icon in his famous Nobel speech Faulkner said what inspired him was the human ability to prevail in the end this beautifully wrought life shows how Faulkner the man and the artist embodies this remarkable capacity to endure and prevail

this magisterial collection of short works by Nobel prize winning author William Faulkner reminds readers of his ability to compress his epic vision into narratives as hard and wounding as bullets among the 42 selections in this book are such classics as *A Bear Hunt* *A Rose for Emily* *Two Soldiers* and *The Brooch*

William Faulkner 1897-1962 once said of his novels and stories *I am telling the same story over and over which is myself and the world* this biography provides an overview of the life and career of the famous author demonstrating the interrelationships of that life centered in Oxford Mississippi with the characters and events of his fictional world the book begins with a chapter on Faulkner's most famous ancestor W. C. Falkner the old colonel who greatly influenced both the content and the form of Faulkner's fiction Robert W. Hamblin then proceeds to examine the highlights of Faulkner's biography from his childhood to his youthful days as a fledgling poet through his time in New Orleans the creation of Yoknapatawpha the years of struggle and his season of prolific genius and through his time in Hollywood and his winning of the Nobel prize the book concludes with a description of his last years as a revered author cultural ambassador and university writer in residence in his Nobel prize acceptance speech Faulkner spoke of the agony and sweat of the human spirit that goes into artistic creation for Faulkner that struggle was especially acute poor and neglected for much of his life suffering from chronic depression and alcoholism and unhappy in his personal life Faulkner overcame tremendous obstacles to achieve literary success one of the major themes of his novels and stories remains endurance and his biography exhibits that quality in abundance Faulkner the man endured and ultimately prevailed

this book is a powerful discussion of the novels short stories and poems of

william faulkner intended for both the general reader as well as those already fully acquainted with his work *my mother is a fish* illustrates the wisdom and genius of this great modernist of classical twentieth century american literature janet c nosek provides a personal commentary on quotations and short passages that show the wide range of style language themes and connections found in faulkner s fiction both instructive and entertaining this book will be of great interest to literary scholars and a helpful ancillary text as well

in the world of william faulkner ward l miner offers a compact yet insightful study of faulkner s literary universe how the writer s mississippi roots psychological intensity and narrative daring fused into a single haunting voice originally published in 1952 with later editions in 1963 miner explores how place memory and moral conflict recur in faulkner s fiction from the dusty backroads of yoknapatawpha county to the swirling shadows of inner consciousness miner situates faulkner s work in its regional and historical context examining how race tradition and change inform his characters tragedies and resilience he pays special attention to recurring motifs time family guilt and the south s troubled legacy revealing how faulkner s imagination draws from both the land and the inherited dramas of a fractured society with clarity and respect miner argues that to understand faulkner is to enter a world where language itself becomes a terrain of remembrance and moral reckoning though just 170 pages in many editions miner packs dense insight into each chapter making this guide a superb companion to reading the sound and the fury as i lay dying light in august and beyond for students and readers drawn into faulkner s shadows the world of william faulkner remains a dependable map through a difficult and luminous literary terrain

this set comprises of 40 volumes covering nineteenth and twentieth century european and american authors these volumes will be available as a complete set mini boxed sets by theme or as individual volumes this second set compliments the first 68 volume set of critical heritage published by routledge in october 1995

william faulkner s fictional chronicle of yoknapatawpha county culminates in his three last novels rich with the accumulated history and lore of the microcosmic domain where he set most of his work faulkner wanted to use the time remaining to him to achieve a summing up of his fictional world i know i won t live long enough to write all i need to write about my imaginary country and county he wrote to a friend so i must not waste what i have left

the town 1957 is the second novel in the snopes trilogy that began with the hamlet collected in a previous library of america volume here the rise of the rapacious flem snopes and his extravagantly extended family as they connive their way into power in the county seat of jefferson every snopes in frenchman s bend moving up one step leaving that last slot at the bottom open for the next snopes to appear from nowhere and fill is brilliantly filtered through three separate narrative voices faulkner was particularly proud of the women characters the doomed eula and her daughter linda who stand at the novel s center flem s relentless drive toward wealth and control plays itself out in the mansion 1959 in which a wronged relative the downtrodden sharecropper mink snopes succeeds in avenging himself and bringing down the corrupt snopes dynasty in this last part of the trilogy faulkner brings in elements from many earlier novels to round out his fictional enterprise his last novel the reivers a reminiscence 1962 is distinctly mellower and more elegiac than his earlier work a picaresque adventure set early in the twentieth century and involving a memphis brothel a racehorse and a stolen automobile it evokes the world of childhood with a final burst of comic energy library of america is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print america s best and most significant writing the library of america series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

briefly analyzes the literary achievements of the american writer whose fictional works depict the moral decay of the south

hailed by critics and scholars as the most valuable study of faulkner s fiction cleanth brooks s william faulkner the yoknapatawpha country explores the mississippi writer s fictional county and the commanding role it played in so much of his work brooks shows that faulkner s strong attachment to his region with its rich particularity and deep sense of community gave him a special vantage point from which to view the modern world books s consideration of such novels as light in august the unvanquished as i lay dying and intruder in the dust shows the ways in which faulkner used yoknapatawpha county to examine the characteristic themes of the twentieth century contending that a complete understanding of faulkner s writing cannot be had without a thorough grasp of fictional detail brooks gives careful attention to what happens in the yoknapatawpha novels he also includes useful genealogies of faulkner s fictional clans and a character index

presents four complete novels from william faulkner

the years 1942 to 1954 saw william faulkner s rise to literary celebrity sought after by hollywood lionized by the critics awarded a nobel prize in 1950 and the pulitzer and national book award for 1954 but despite his success he was plagued by depression and alcohol and haunted by a sense that he had more to achieve and a finite amount of time and energy to achieve it this library of america volume collects the novels written during this crucial period defying the odds faulkner continued to break new ground in american fiction he delved deeper into themes of race and religion and furthered his experiments with fictional structure and narrative voice these newly restored texts based on faulkner s manuscripts typescripts and proof sheets are free of the changes introduced by the original editors and are faithful to the author s intentions go down moose 1942 is a haunting novel made up of seven related stories that explore the intertwined lives of black white and indian inhabitants of yoknapatawpha county it includes the bear one of the most famous works in all american fiction with its evocation of the wilderness the big woods bigger and older than any recorded document characters from go down moose reappear in intruder in the dust 1948 part detective novel part morality tale it is a compassionate story of a black man on trial and the growing moral awareness of a southern white boy requiem for a nun 1951 is a sequel to sanctuary with an unusual structure combining novel and play it tells the fate of the passionate haunted temple drake and the murder case through which she achieves a tortured redemption prose interludes condense millennia of local history into a swirling counterpoint in a fable 1954 a recasting of the christ story set during world war i faulkner wanted to try to tell what i had found in my lifetime of truth in some important way before i had to put the pen down and die the novel which earned a pulitzer prize is both an anguished spiritual parable and a drama of mutiny betrayal and violence in the barracks and on the battlefields library of america is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print america s best and most significant writing the library of america series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

includes complete text of the sound and the fury

these forty five stories include not only some of faulkner s best but also what

proved to be the testing ground for what latter became such major novels as the unvanquished the hamlet and go down moses

eudora welty 1909 2001 and william faulkner 1897 1962 were mississippi s leading literary lions during the 20th century this volume brings together welty s reviews essays lectures and musings on faulkner

a collection of letters written by william faulkner over a period extending from 1918 to 1962
