in a thrilling tale of courage and survival from diana gabaldon 1 new york times bestselling author of the acclaimed outlander series lord john grey disembarks in havana to rescue his family only to get swept up in a fierce rebellion this

novella originally published in *Seven Stones to Stand or Fall* is now available as a standalone ebook. Lord John Grey is happy his term as military governor of Jamaica is drawing to a close and he's looking forward to fresh beef and burgoo in North Carolina rather than endless fish and sea urchin innards marinated in orange juice. His preparations alas are interrupted by the sudden arrival of his mother's third husband, General Stanley. Your mother's in Havana, General Stanley said, minding your cousin Olivia. This seemed like a moderately respectable thing for an elderly lady to be doing and Grey relaxed slightly but only slightly. I trust she's enjoying the weather, he raised an eyebrow at his stepfather who sighed deeply and put his hands on his knees. I'm sure she is. The problem, my boy, is that the British Navy is on its way to lay siege to the city of Havana and I really think it would be a good idea if your mother wasn't in the city when they get there. Lord John agrees and with the help of his loyal valet Tom Bird, a recovering ex-zombie named Rodrigo and Rodrigo's wife Azeel, not a zombie but resourceful and courageous, well obviously how much nerve does it take to marry a zombie, he sets sail at once for Havana only to discover upon his arrival that his family isn't all that's in danger. Slave revolts, murder, an invasion in progress, stubborn mules and adulterous love are the least of it.

Eagerly anticipated by her legions of fans, this sixth novel in Diana Gabaldon's bestselling *Outlander* saga is a masterpiece of historical fiction from one of the most popular authors of our time. Since the initial publication of *Outlander* fifteen years ago, Diana Gabaldon's New York Times bestselling saga has won the hearts of readers the world over and sold more than twelve million books. Now *A Breath of Snow and Ashes* continues the extraordinary story of 18th century Scotsman Jamie Fraser and his 20th century wife Claire. The year is 1772 and on the eve of the American Revolution, the long fuse of rebellion has already been lit. Men lie dead in the streets of Boston and in the backwoods of North Carolina, isolated cabins burn in the forest with chaos brewing. The governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown, but from his wife, Jamie knows that three years hence the shot heard round the world will be fired and the result will be independence with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from the *Wilmington Gazette* dated 1776 which reports Jamie's death along with his kin. For once he hopes his time-traveling family may be wrong about the future.

Claire Randall is leading a double life. She has a husband in one century and a lover in another. In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach, an *Outlander*.

in a scotland torn by war and raiding border clans in the year of our lord 1743 hurled back in time by forces she cannot understand claire s destiny in soon inextricably intertwined with clan mackenzie and the forbidden castle leoch she is catapulted without warning into the intrigues of lairds and spies that may threaten her life and shatter her heart for here james fraser a gallant young scots warrior shows her a passion so fierce and a love so absolute that claire becomes a woman torn between fidelity and desire and between two vastly different men in two irreconcilable lives

new york times bestseller the fourth book in diana gabaldon s acclaimed outlander saga the basis for the starz original series unforgettable characters richly embroidered with historical detail the cincinnati post what if you knew someone you loved was going to die what if you thought you could save them how much would you risk to try claire randall has gone to find jamie fraser the man she loved more than life and has left half her heart behind with their daughter brianna claire gave up jamie to save brianna and now bree has sent her mother back to the mysterious scottish warrior who was willing to give his life to save them both but a chilling discovery in the pages of history suggests that jamie and claire s story doesn t have a happy ending brianna dares a terrifying leap into the unknown in search of her mother and the father she has never met risking her own future to try to change history and to save their lives but as brianna plunges into an uncharted wilderness a heartbreaking encounter may strand her forever in the past or root her in the place she should be where her heart and soul belong
