finding your true value and purpose begins with a simple but profound truth you have been

wonderfully made do you ever question your worth or wonder what on earth you're here for the everyday pressures and struggles women of all ages face and the feeling of not measuring up can be overwhelming you might be left wondering is this all there is a constant striving for self acceptance and human approval or are you made for something more allie marie smith has walked the familiar road of self doubt and depression like a companion on the journey she wants you to join her in discovering a better life the life you've been made for god planned your days before you were born and he longs for you to discover the life he created you to live here on earth and in eternity this abundant life comes from knowing you are made for relationship with god made to be loved made to know your true identity made to overcome made to live free and so much more wonderfully made is designed to be read in 30 short chapters that help you discover your true purpose and significance don't believe the lie that you are defined by your struggles or that your worth comes from your achievements or looks your identity comes from god no matter what the other voices might say god declares that you are lovingly and wonderfully made and his eternal plan for you is good

from the moment hugh dermott o'connor later to become francis joel smith was conceived god's perfect plans for his life were already in motion born with treacher collins syndrome a rare genetic disorder that affects the formation of the face during the first trimester of pregnancy infant hugh's face was so severely deformed emergency surgery was performed moments after his birth just so he could breathe soon thereafter he was deemed deaf and retarded if infant hugh survived it was believed he was destined to live out his life inside the walls of an institution yet his medical team fought valiantly to save this helpless infant's life the lord had other plans decades earlier his god-fearing god-loving adopted parents bob and betty smith were divinely brought together and prepared and placed exactly where they needed to be in order to take this struggling suffering child who battled for survival into their home just as they already had with ten other challenged and rejected children they adopted before him his foster mother mrs lillian collins a loving christian woman fought to sustain him and meet his immediate needs that included his first hearing aid and hefty doses of prayer at two and a

half years old he was seamlessly integrated into the smith household where daily scripture readings and prayer nourished him spiritually and relentless ongoing tube feedings nourished him physically above all bob and betty taught their children to love the lord no matter what and to never give into their challenges the lord steadily provided for their needs and through prayer and loving guidance every challenge was met head on today dr francis joel smith is a phd medical researcher in craniofacial development and is a world renowned speaker musician and advocate for those who suffer from craniofacial anomalies as he has see our interview [click here](#)
