the boss subordinate relationship is an age old problem cited in almost every management book and on the job survey as an area rife with dishonesty and inefficiency all too often subordinates spin the truth for those above while bosses fail to establish the conditions required for subordinates to tell it to them straight the end result is warped communication corrupt internal politics illusionary teamwork pass the buck accountability and personal dispiriting and the company is always the big loser don t kill the bosses reveals the trap created when people fail to differentiate between the positives of hierarchical structure and the negatives of hierarchical relationships far from being opposed to hierarchy the authors believe strongly that an accurate and cleanly defined organization chart is vital but they show how to implement an alternative model of hierarchy two sided accountability drawing on case studies from their consulting practice culbert and ullmen show how this new model leads to a freer flow of information more creative problem solving and quicker response to changing conditions unlike other books that acknowledge boss subordinate relationships as a systematic continuing problem and offer skill development suggestions for dealing with it don t kill the bosses tells how to

think about the problem in a way that will enable readers to understand the steps they need to take to change things it diagnoses what's missing in boss subordinate relationships connects what's wrong with them to personal and organizational outcomes and defines the whole new mentality required to make them work successfully

so miss lange with an e will you take the job ruby lange might be unconventional but her struggle to find the ideal career isn't from lack of trying now the latest option is traveling nanny so she takes a deep breath packs her vintage suitcase and heads for italy ruby's new boss architect max martin may be utterly gorgeous but he's far too buttoned up for her liking yet traveling around venice together ruby discovers that the man who took a risk on her is masking a huge heart he just needs a reason to trust it again

in this convenient marriage romance from usa today bestselling author kim lawrence cinderella makes a diamond deal with her boss is it a promotion the innocent becomes his bride playboy ceo ezio angelos will do anything to save the deal of a lifetime even persuade his prim personal assistant matilda raven to take a six month assignment in greece as his convenient bride orphaned tilda is desperate to give her young brother a fresh start before he self destructs ezio's offer is her best chance and it's clear he intends to keep things strictly business yet since exchanging vows their every interaction sizzles is tilda the only one wondering what it would be like to swap the boardroom for the bedroom from harlequin presents escape to exotic locations where passion knows no bounds

for most that work with in the strip club industry help comes far too late until now the stripper code of silence has never been broken and the truth never told stiletto diaries will take you off the stage out of the bright neon lights and straight into the truth behind the strip club industry a world where drug overdoses and murder are a daily occurrence a world run by the mob themselves it is solely within the stories of those who have lost their lives due to the industry can the real story be told so take my hand and come with me on a journey that few ever get to take

more women are studying science at university and they consistently outperform men yet still significantly fewer women than men hold prestigious jobs in science why should this occur what prevents women from achieving as highly as men in science and why are so few women positioned as creative genius research scientists drawing upon the views of 47 female and male scientists bevan and gatrell explore why women are less likely than men to become eminent in their profession they observe three mechanisms which perpetuate women's lowered place in science subtle masculinities whereby certain forms of masculinity are valued over womanhood motherhood in which women's potential for maternity positions them as other and the image of creative genius which is associated with male bodies excluding women from research roles

what to do when you're caught in the middle of an ethical dilemma at work in today's super stressed workplace an ethical dilemma can come at you when you least expect it here's how to do the right thing without losing your integrity or your job you've got to be kidding will help you create an ethics based workplace that's a joy to work in this isn't the usual top down executive only manual but an approach to workplace ethics that's as relevant and accessible to employees as it is to managers and executives from renowned workplace educator and author of you want me to do what this book is filled with recognizable examples ripped from today's headlines that put ethical principles in concrete terms filled with recognizable examples that put ethical principles in concrete terms covers such topics as loyalty confidentiality security office romance harassment social networking at work harassment workplace bullying lying for your boss and even internet mischief a practical manual for assessing discussing and resolving ethical dilemmas in the workplace with employees at all levels being held more accountable than ever before you've got to be kidding gives businesses of all types and sizes a winning set of principles and practices to do business at the highest ethical level and serves as a guide for anyone who wants to do the right thing without losing their integrity or their job
