managerial accounting tools for business decision making 7th edition by weygandt kimmel and kieso provides students with a clear introduction to fundamental managerial accounting concepts the seventh edition helps students get the most out of their accounting course by making practice simple both in the print text and online in wileyplus with orion new opportunities for self guided practice allow students to check their knowledge of accounting concepts skills and problem solving techniques and receive personalized feedback at the question learning objective and course level newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content and the practice homework and assessments questions weygandt managerial accounting is a best selling program ideal for a one semester undergraduate managerial accounting course that focuses on teaching students the core concepts

asian american sexual politics explores the topics of beauty self esteem and sexual attraction among asian americans the book draws on sixty in depth interviews to show how constructions of asian american gender and sexuality tend to reinforce the social and political dominance for whites particularly white males even in the supposed post racial united states drawing on established scholarship on the intersection of race gender and sexuality asian american sexual politics shows how power dynamics shape the lives of young asian americans today asian american women are often constructed as hyper sexual docile bodies while asian american men are often racially castrated the book s interview excerpts show the range of frames through which asian americans approach the world as well as the counter frames they construct in the final chapter author rosalind s chou offers strategies for countering racialized and sexualized oppression this provocative book shows how persistent racism affects asian american body image self esteem and intimate relationships

this book explores the shifting role of the minister in light of the experiences of college men in the united states young men frequently struggle to know what it means to be a man and doubt that churches can supply the meaning and direction for which they hunger these men are not necessarily lost but they do need a certain kind of spiritual accompaniment that is likely to push many ministers outside of postures and practices with which they have grown comfortable this interdisciplinary work draws together feminist and masculinist theories contemporary practices in campus ministry recent literature on religious deconversion and individual interviews with college men in order to argue for new ways amid the practice of ministry this work invites ministers to become more apophatic to grow comfortable with moving away from

clarity and to adopt ungrasping postures of ministry that attend to the unfolding theology of the individual this repositions campus ministers to support young adults from a range of spiritual commitments disaffiliating ministry invites ministers to eliminate wasteful ministerial habits to explore new ministry practices and to enjoy the freedom of accompanying young men in processes of leaving behind attitudes and actions that cease to be life giving while deepening in faith courage and responsibility for others

the brother code what is the role of manhood and masculinity in the lives of african american males in college how do manhood norms influence decisions within and beyond college how might mothers and fathers differentially affect manhood and masculinity in their sons what are african american s men unique ways of knowing themselves and their surroundings the brother code manhood and masculinity among african american men in college situates itself at the intersection of higher education and cultural studies to address these questions and more primarily this book offers colleges and universities a penetrative gaze into a complex web of identities the manhood of african american males in college yet the book also seizes a rare opportunity in higher education research to review six historical eras of african american manhood as well as the troublesome relationship between african american males and education in general this knowledge is important for understanding all aspects of african american male participation in college including enrollment retention curricular and co curricular involvement based on an empirical study the data in this book emerged from one on one interviews in which 24 african american males enrolled in 12 colleges discussed how manhood matters in their social and college lives the aim is to help unearth the marginalized topics of manhood gender and masculinity in males generally but more specifically among african american males a marginalized student group in education using an interdisciplinary approach the book draws upon literature in history african american studies gender studies sociology cultural studies psychology and anthropology

the declining significance of homophobia shows how heterosexual male high school students attitudes toward their gay peers have changed dramatically

around the globe families are often faced with a variety of health issues often as a result of social political religious and economic forces this multidisciplinary volume addresses the impact health issues have on individual family members and how this affects their family relationships

how do we fix the leaky educational pipeline into a conduit of success for black males that the issue is critical is

demonstrated by the statistics that only 10 of black males in the united states are proficient in 8th grade reading only 52 graduate from high school within four years and only 35 percent graduate from college this book uniquely examines the trajectory of black males through the educational pipeline from pre school through college in doing so it not only contributes significantly to the scholarship on the experiences of this population but bridges the gap between theory and practice to provide frameworks and models that will improve these young men s educational outcomes throughout their educational journeys a compelling feature of the book is that that it does not treat black males as homogeneous but recognizes the diversity that exists among black males in various educational settings it demonstrates the need to recognize students intersectionalities and individual characteristics as an essential preliminary to developing practices to improve outcomes at every educational stage throughout the contributing authors also focus on the strategies and experiences of black males who achieve academic excellence examining growth producing and asset based practices that can be sustained and that build upon the recognition that these males have agency and possess qualities such as resilience that are essential to their learning and development the frameworks and models that conclude each chapter are equally commendable to k 12 educators and administrators higher education faculty student affairs practitioners and administrators and policymakers for whom templates are provided for rectifying the continuing inequities of our educational system
