god s kingdom is our true home but we ve picked up a habit of resisting it  
and when finally we do fall in most of us find we ve survived so long outside  
his kingdom that we ve lost all instinct for thriving in it that s where roger  
helland meets us roger has thought long and studied hard on these matters  
he has pondered deeply what it means to be fully alive in christ and for christ  
and he s tested his insights in classrooms in churches with denominations  
but mostly in his own life in magnificent surrender he s distilled what he s  
learned into a field guide for kingdom living but roger draws from an even  
deeper source his book derives its force and depth from paul s letter to the  
colossians indeed magnificent surrender is an extended pastoral reflection on  
and application of that letter colossians in four brief chapters presents the  
glory of jesus christ and the glory of a life wholly submitted to him it is a

manifesto of the rich life magnificent surrender heralds that brilliantly it s a wise loving and sometimes stern invitation to read colossians again with fresh eyes and fierce resolve it s also a challenge to take to heart its promise and its exhortation that we can and must live in through with and for christ who is all and in all supreme and sufficient mark buchanan from the foreword
