this volume provides an extensive overview of current research on the complex relationships between gender and communication featuring a broad variety of chapters written by leading and upcoming scholars this edited collection uses diverse theoretical frameworks to provide insight into recent concerns regarding changing gender roles representations and resources in communication studies established research and new perspectives address vital themes in this comprehensive text including the shifting politics of gender ethical and technological trends in gendered media and gender in daily life comprising 39 chapters by a team of international contributors the handbook is divided into six thematic sections gendered lives and identities visualizing gender the politics of gender gendered contexts and strategies gendered violence and communication gender advocacy in action these sections examine central issues debates and problems including the ethics and politics of gender as identity impacts of media and technology legal and legislative battlegrounds for gender inequality and lgbtq human rights changing institutional contexts and recent research on gender violence and communication the final section links academic research on gender and communication to activism and advocacy beyond the academy the routledge handbook of gender and communication will be an invaluable reference work for students and researchers working at the intersections of gender studies and communication studies its international perspectives and the range of themes it covers make it an essential and pragmatic pedagogical resource

an up to date review of theory and research on how gender affects communication at work it considers new workplaces such as e business and non managerial work as well as cross cultural dimensions and service sector work the book encompasses a wide geographic perspective with research findings on a variety of business cultures

publisher description

the authors explore the many ways that gender and communication intersect and affect each other every chapter encourages a consideration of how gender attitudes and practices past and current influence personal notions of what it means not only to be female and male but feminine and masculine the second edition of this student friendly and accessible text is filled with contemporary examples activities and exercises to help students put theoretical concepts into practice

gender in communication a critical introduction embraces the full range of diverse gender identities and expressions to explore how gender influences communication as well as how communication shapes our concepts of gender for the individual and for society this comprehensive gender communication book is the first to extensively address the roles of religion the gendered body single sex education an institutional analysis of gender construction social construction theory and more throughout the book you are equipped with critical analysis tools you can use to form your own conclusions about the ever changing processes of gender in communication new to the third edition current examples in the chapter openers illustrate how a critical gendered lens is necessary and useful by discussing recent events such as jon stewart s critique of the outcry over a j crew ad reactions to serena williams s body photos of a young boy who likes to wear dresses and the use of photoshop to create thigh gaps updated chapters on voices work education and family reflect major shifts in the state of knowledge expanded sections on trans and gender non conforming identities reflect changes in language all

other chapters have been updated with new examples new concepts and new research more than 500 new sources have been integrated throughout and new sections on debates over bathroom bills intensive mothering humor swearing and title ix have been added his and her pronouns have been replaced with they in most cases even if the reference is singular in an effort to be more inclusive

the purpose behind communicating gender diversity a critical approach is not to provide any final conclusions about communicating gender because gender is a constantly evolving concept both in terms of individuals gender identity development and the larger culture's predominant notions of gender such absolute claims are not possible instead the intent is to better equip readers with tools with which they can examine and make sense of the intersections of communication and gender the text covers the variety of ways in which communication of and about gender and sex enables and constrains people's intersectional identities the authors believe people are social actors and as such create meaning through their symbolic interactions thus the book's emphasis is not on how gender influences communication but on how communication constitutes gender they also believe that people are capable of being self reflective about communication processes and creative in generating new ways to play with symbols

gender communication theories and analyses surveys the field of gender and communication with a particular focus on gender and communication theories and methods how have theories about gender and communication evolved and been influenced by first second and third wave feminisms and similarly how have feminist communication scholars been inspired by existing methods and aspired to generate their own the goal of the text is to help readers develop analytic focus and knowledge about their underlying assumptions that gender communication scholars use in their work features and benefits applies theoretical and methodological lenses to contemporary cases allowing readers to see gender and communication theory work in action presents a comprehensive introduction to particular feminist theories and

methodologies provides effective end of chapter cases and sample analyses that help readers see the kinds of questions and analyses that a particular theory and method bring into play discusses contemporary research in gender and communication and expands on future directions for research

the contributions in this book bring together a representative array of conceptual and methodological approaches in the study of communication gender and sex roles they map out the possible range and terrain of the theme communication gender and sex roles in interpersonal organizational cultural and applied interaction contexts

the importance of gender in communication has received increasing attention from researchers in communication study this text offers a synthesis of this research along with this emphasis it provides case studies and exercises to help men and women commu

competitively selected papers from the 1984 and 1985 communication language and gender conference the book explores the areas of business professional applications interpersonal issues persuasion and social influence politics and instructional applications

the gender communication connection offers an interactive approach to the course enabling students to experience firsthand how gender communication affects their lives daily strong end of chapter pedagogy includes special sections which strengthen students critical thinking skills by prompting them to discuss reflect upon write about or explore online a variety of gender topics and issues literary insight asks students to read and consider excerpts from plays poems essays and novels that highlight gender issues follow up questions encourage students to reflect and broaden their understanding a researcher s view profiles a research study abstract or research question that has been pursued and then invites students to investigate and or replicate the study on a personal scale

written by the leading gender communication scholar this text introduces students to theories research and pragmatic information that demonstrates the multiple often interactive ways in which our views of masculinity and femininity are shaped within contemporary culture

written by leading gender communication scholar julia t wood gendered lives eighth edition introduces you to theories research and pragmatic information demonstrating the multiple and often interactive ways that our views of masculinity and femininity are shaped within contemporary culture with the most up to date research balanced perspectives of masculinity and femininity a personal introduction to the field and a conversational first person writing style gendered lives eighth edition is an engaging text that encourages you to think critically about gender and our society important notice media content referenced within the product description or the product text may not be available in the ebook version

this edited volume establishes a state of the art perspective on theory and research on gender power and communication in human relationships both theoretical essays and review chapters address issues relevant to female and male differences in power dominance communication equality and expectations beliefs all chapter contributors share two commonalities first each provides a 1990s assessment of power and equality in female and male relationships second each reviews respective programs of research and focuses attention on the relevance of this research to understanding the relationships of women and men unique because it incorporates a multidisciplinary approach to the study of gender and the communication of power in human relationships this book includes the original work of intellectuals with national and international reputations in the social sciences the volume provides both scholastic breadth and centralized treatment of issues that form the very foundation of social and personal relationships it will appeal to scholars working in the disciplines of communication and psychology as well as other areas of social science research

readings in gender communication is a compilation of studies stories analyses and personal testimonies contributed by communication gender psychology and sociology scholars and students the reader is designed as a supplemental text for a gender communication course with primary emphasis given to demonstrating how gender theory is applicable to students lives

includes index

the importance of communication in health related matters cannot be overemphasized despite modern global advancements indigenous communication methods assume a large part of health practices in rural regions throughout the world including areas in africa and asia indigenous language remains one of the strongest means of communication and a vital function in local communities across the globe emerging trends in indigenous language media communication gender and health is a collection of innovative research that vitalizes directs and shapes scholarship and global understanding in the aforementioned areas and provides sustainable policy trajectory measures for indigenous language media and health advocacy this book will provide a better global understanding of the significance indigenous language still has in modern society while highlighting topics including digitalization sustainability and health education this book is ideally designed for researchers anthropologists sociologists advocates medical practitioners world health organizations media professionals government officials policymakers practitioners academicians and students
