ordinary americans often bring family and neighborhood problems to court seeking justice or revenge the litigants in these local squabbles encounter law at its boundaries in the corridors of busy city courthouses in the offices of court clerks and in the church parlors used by mediation programs getting justice and getting even concerns the legal consciousness of working class americans and their experiences with court and mediation following cases into and

through the courts sally engle merry provides an ethnographic study of local law and of the people who use it in a new england city the litigants primarily white native born and working class go to court because as part of mainstream america they feel entitled to use its legal system although neither powerful nor highly educated they expect the law s support when they face intolerable infringements of their rights privacy and safety yet as personal problems enter the legal system and move through mediation sessions clerk s hearings and prosecutor s conferences the citizen plaintiff rapidly loses control of the process court officials and mediators interpret and characterize the meaning of these experiences reframing and categorizing them in different discourses some plaintiffs yield to these interpretations but others resist struggling to assert their own version of the problem ultimately merry exposes the paradox of legal entitlement while going to court allows an individual to dominate domestic relationships the litigant must increasingly yield control of the situation to the court that supplies that power

describes pranks hoaxes and elaborate schemes that can be used to get back at individuals or organizations

the public outcry for a return to moral education in our schools has raised more dust than it s dispelled building upon his provocative ideas in on becoming responsible michael pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his

own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education
