offering detailed advice on how to ace the case interview this guide outlines the key interview principles provides practical tips on writing a resume and carrying out the personal experience interview and identifies strategies for mastering the case

analysis

mastering the case interview outlines the essential interview principles and identifies strategies you can use to master the case analysis it offers an overview of the most common types of problems given in case interviews outlines a framework for approaching each type of case and provides a variety of case interview examples in addition this book offers detailed advice on how to manage the interview process it includes specific interview guidelines provides sample questions and answers and outlines practical strategies on how to ace the case interview

careers at consulting firms from high powered strategy giants to exclusive boutiques are more popular than ever but if you want to join a consulting firm you re going to have to face the case interview the case interview a tough business analysis is the biggest hurdle prospective consultants and other strategists face the vault guide to the case interview has all the information you need the frameworks the questions even the brainteasers and back of the envelope calculations if you ve ever thought about a career in consulting or strategy you need this guide book jacket

embrace the case interview walks you through each step on the path to your dream consulting job as described by a former management consultant who conducted over 100 interviews for a top tier firm first we cover how to get the interview including how to be memorable when speaking with firms prior to the interview and how to write a killer resume and cover letter second we cover the behavioral part of the interview often overlooked the behavioral part of the interview covers your personal experiences and is often just as valuable as the case interview we discuss the traits interviewers are looking for and how to answer their questions in a structured way third we take an in depth look at the case interview itself unlike books that focus on segmenting cases and applying frameworks you will learn a single flexible structure that you will apply to any case with deadly effectiveness in addition to structuring the case you will learn approaches for the cases other parts including qualitative questions quantitative problems exhibit analysis and synthesis embrace the case interview places a strong emphasis on the quality of your learning rather than just doing hundreds of cases as such each example case contains an in depth discussion of the text book answer to help you improve for more information please visit embracethecaseinterview.com enjoy the book and best of luck in your upcoming interviews

management consulting careers are more popular than ever and that means that consulting interviews are even tougher the case interview question a complex business analysis is the bane of prospective consultants everywhere don't get tripped up by your case interviews read the vault reports guide to the case interview this book is packed with information you need to know for your consulting interviews including case interview questions with suggested approaches and solutions frameworks for conquering your case questions both basic and advanced tackling accounting and financial case questions what to expect from your case interview solving the guesstimate handling brainteasers and other oddball questions consulting lingo and buzzwords and much more if you have tough consulting interviews or any interview that requires intense case analysis you need the vault reports guide to the case interview

if you're interested in consulting you've almost certainly heard of a case interview a job interview in which you are presented with and asked to solve specific business challenges but increasingly case interviews aren't just for consultants professionals in finance or business operations as well as those seeking high level positions within an organization may very well encounter these challenging interviews as well this book will help you write the perfect consulting resume and cover letter that gets multiple interview invitations from top consultancies learn the 7 different parts of a case interview and exactly what you need to do in each step master maths tips and tricks to solve market sizing and other case interview questions quickly and accurately discover the most commonly used frameworks in consulting and how you can use them for inspiration without over-relying on them practice with 5 full length sample cases that are based on mckinsey bcg and bain case interviews prepare answers to behavioral interview questions like why consulting why mckinsey or tell me about a time you led a team

you often hear in discussions about case interviews that you should not use standard business frameworks and concepts at all because they just don't fit to the specific case question and interviewers don't like it when candidates use standard frameworks to solve cases however when challenging this shallow generalized and popularized statements there aren't any of those arguments remaining on the table it is most definitely true that you can't crack a realistic interview case by relying solely on standardized frameworks but all those business frameworks and concepts are extremely helpful templates which you can and even should put into your toolbox and use them whenever appropriate if not to the full extent at least partly such a standard business framework is just a tool and the tool itself is rarely good or bad it mainly depends on how and for which purpose you

use it with this book you achieve all of the following get a profound overview of the most important business concepts and frameworks needed in consulting case interviews really understand those business concepts and frameworks instead of possessing only knowledge of dangerous half truths impress your interviewer on how structured and therefore client friendly you tackle tough case interview questions quickly learn how to actually apply those frameworks to concrete business situations instead of just having a shallow theoretic knowledge of them be more mece mutually exclusive collectively exhaustive in setting up your overall case structure at the beginning of your case interview better structure your answers to particular questions later on in your case interview again being more mece save tons of time by having high quality content from 10 years of consulting and interview experience together in one single book significantly reduce the risk of losing a tier 1 consulting firm job offer because you were not structured enough in your interview and we all know how important it is to be abs always be structured

mastering the case interview outlines the essential interview principles and identifies strategies you can use to master the case analysis it offers an overview of the most common types of problems given in case interviews outlines a framework for approaching each type of case and provides a variety of case interview examples in addition this book offers detailed advice on how to manage the interview process it includes specific interview guidelines provides sample questions and answers and outlines practical strategies on how to ace the case interview

mastering the case interview offers detailed advice on how to ace the case interview this book outlines the general principles of managing the case interview delineates the most common types of cases and outlines a framework for approaching each type of case the discussion of the basic principles of case analysis is complemented by an extensive array of interview examples that includes 20 sample case discussions and 200 practice questions

the case interview workbook contains 60 case questions for management consulting interviews with complete solutions every case is compiled and edited by a team of ex consultants from mckinsey company the boston consulting group and bain company this book fills the gap left by others by providing you with plenty of high quality cases to practice on before your interview many cases are from actual interviews at the top tier firms and cannot be found elsewhere after working through this book you will be prepared for every type of case question you may encounter market sizing estimation operations industry

analysis pricing growth strategy marketing investment in a market entry customer segmentation profitability valuation logic issue identification cost analysis market expansion and brainteasers to name a few these cases will help you prepare for interviews at leading management consulting firms including mckinsey company the boston consulting group bain company oliver wyman strategy formerly booz company at kearney roland berger and leek as well as for consulting roles at large firms such as accenture deloitte pwc ey and kpmg note that is a workbook designed to complement other preparation books you will have a hard time solving these cases without learning first elsewhere how to do so e.g. which frameworks to use how to use them and how to structure a solution

in this competitive job market you need all the preparation you can get and the case interview a tough business analysis is the biggest hurdle prospective consultants and other strategists face make sure you're properly prepared to ace your case interviews with the vault case interview practice guide 2 more case interviews this brand new vault guide brings you 27 new case interview questions providing detailed step by step analysis of each case study this guide and triumph over your case interviews

cosentino demystifies the consulting case interview he takes you inside a typical interview by exploring the various types of case questions and he shares with you a system that will help you answer today's most sophisticated case questions page 4 of cover

this book explains what consulting firms are looking for in case interviews and the types of cases to expect it also explains how to approach each of these types of cases and summarizes some of the frameworks that may be helpful in structuring your approach the guide concludes with a number of cases that recruiters have used in past years

professional career guide from the vault career library providing detailed case by case explanations of the consulting interview and strategies for cracking it
