throughout the quest for the historical jesus there has been a parallel quest aimed at discovering new and improved methodologies for studying his life this methodological quest was originally driven by the belief that the gospels are so unique even sui generis among the literary works of their time that such historical experimentation to use schweitzer s words is necessary for the task of reconstructing jesus s life although most scholars today characterize the gospels as a form of graeco roman biography rather than sui generis literature they nevertheless have continued this quest for new methodologies this has left historical jesus studies in a problematic methodological state in this book zolondek argues that if the gospels are indeed types of graeco roman biographies of jesus then no such experimentation is necessary rather historical jesus scholars should instead be adopting the standard methodological practices that historians and classicists have for decades used to effectively reconstruct the lives of other ancient persons who were also the subjects of graeco roman biographies after providing examples of three such methodological practices zolondek goes on to offer suggestions as to how scholars might apply them to the study of jesus and in doing so end their long running methodological quest

a hidden lost world a powerful crystal crown this gripping fantasy adventure inspired by a real kid s idea doubles as a creative writing guide for young writers an enchanted arrow pierces the wall of hillview the city is under attack years ago a powerful crystal crown was stolen from a group of magic wielders called lysors lacking the crown s protection the lysors hid themselves behind the city walls shut off from the rest of the world but with danger upon them once more can laura a spunky girl with a knack for adventure journey outside hillview and reclaim the crystal crown changing kids lives one story at a time is the motto of the story pirates a group of professional comedians and teachers who bring kids writing to life in animated short films on their hit podcast and in theaters and schools across america like the first two books stuck in the stone age and digging up danger this
