this volume of the national political science review the official publication of the national political science association is anchored by a major symposium on the politics of the black nation the book authored by matthew holden in 1973 which is now considered one of the most influential books in the field of black politics twenty five years provide a sufficient timespan on which to base a retrospective of the book and simultaneously to reflect upon the evolution of the black liberation struggle more formally called african american politics in the present age there is not much talk about a black nation certainly not as was heard during the 1960s and mid 1970s yet there is a persistent sense of separateness in that there is constant thought and talk of black america as a significantly separate communal entity black americans are seen as a racially and culturally distinct community holding to social political economic interests which have special significance and poignancy for them holden s perception of the nature of the times in the early seventies stands in sharp contrast to how contemporary analysts of african american politics tend to perceive the nature of african americans role in political life and their position in american society in the present age in this retrospective readers have the opportunity to get a sense of what holden argued of the seven essays that make up his seminal volume and to consider how well holden s observations have stood the tests of time in addition to the essays presented at the symposium which pointedly discuss holden s work there are essays dealing with african american politics in constancy and change by contributors including charles henry david covin robert c smith clyde lusane cheryl miller d linell finley and sekou franklin among others other features are a highly informative discussion of the literary digest magazine s straw vote presidential polls 1916 1936 and a review essay by peter ronaye in which he discusses america as new world power u s foreign policy in the post cold war era the volume concludes with fifteen book reviews by knowledgeable scholars the politics of the black nation is a timely thought provoking volume it will be of immense value to ethnic studies specialists african american studies scholars political scientists historians and sociologists georgia a persons is professor in the school of public policy at the georgia institute of technology and the current editor of the national political science review

this text provides a comprehensive description of the american political system including major political institutions processes and policies unlike other introductory american politics textbooks it develops a critical analysis of how american democracy is limited by fundamental inequalities in power and economic resources the book highlights the connections between american politics and the organization of the economy this fourth edition retains the author s critical perspective describing american politics during the clinton presidency and policy changes initiated in the bush presidency

the development of the cultivation system from the years 1840 to 1860 is the focus of this work by the dutch scholar cornelis fasseur

the author presents a general overview of dutch policy and decision making and considers how these policies influenced the evolution of the cultivation system and how the system itself altered dutch views of governance in java

but the work emphasizes not simply federal government initiatives to curb freedom of choice but how this extends to sociological and ideological trends in which extremists pit the values of liberty and virtue against each other

the most effective way to deal with prostitution has always been hotly debated by governments and women's movements alike feminists want it abolished or regulated as sex work governments have to safeguard public health and order this book first published in 2004 shows how women's movements in western europe north america and australia have affected politics on prostitution and trafficking of women since the 1970s asking what made them successful in some countries but a failure in others it also assesses whether government institutions to advance the status of women so called women's policy agencies have played a key role in achieving policy outcomes favourable to movement demands written by an international team of experts and based on original sources all chapters follow the same framework to ensure comparability the final chapter offers an overall comparison identifying what makes women's movements successful and women's agencies effective presenting the case for state feminism

fully up to date to reflect the evolving medvedev presidency the 2008 georgian war and the impact of the economic downturn this volume is a much needed objective and balanced examination of the ways in which security has played and continues to play a central role in contemporary russian politics

coming from a broad cross section of academic disciplines and theoretical positions this collection of essays questions and reworks marxist critiques of capitalism that center on the west and which posit a uniform model of development more specifically

an unsettling account of the events ideas and minds behind the nameless political movement that governs america today the movement transcends political parties has no formal structure no acknowledged leaders and no sworn loyalty except to god whose will it interprets according to its fears and desires yet it is not an abstraction it elects our presidents and legislatures and informs their decisions while in office the movement started at the end of world war ii when nuclear weapons the holocaust and then the cold war led to the fear of mass death that infected american views of justice ethics and global politics it gradually replaced the new deal as conversations with religious and political leaders churchgoers and pollsters make clear after 9 11 the nation became increasingly

pessimistic americans more than ever embraced simplistic self serving solutions to questions of personal and national destiny to regain the best in the american character we must recognize the existence of a new national movement define it and learn how it grows this book is a first step

the economic reforms that were initiated in india in the early nineties are the subject of intense debate much of this debate centres around the scope of the reforms their progress and their impact on growth poverty reduction and sectoral development in contrast this volume focuses on the various political dimensions of the indian economic reform process the contributors emphasize the political shaping of the reforms the politics of implementation and the impact of reforms on political structures and processes two major themes run through the book the relationship between policy reforms and democratic politics and the impact of reforms on the quality of governance bringing together both theoretical contributions and case studies pertaining to particular states or sectors this volume provides insights into various important questions including how was a radical shift in policy possible in a democracy where the opposition can easily mobilize resistance how can reforms be sustained in a context where the majority of the voters are poor and attracted by handouts and where political parties are accustomed to attracting voters through populist policies do the reforms contribute to more efficient and inclusive administrative and political governance or do they lead to new forms of corruption bureaucratic mismanagement and or undemocratic politics

americans dissatisfaction with government is at an all time high drawing on an inside track on washington leading political pollster gordon black paints a compelling portrait of a government out of control and provides persuasive evidence that a new party could get it back on track 50 60 charts graphs tables
