throughout the centuries translations of the bible have steadily improved in general each new translation inherits from previous ones and opens the way for later

ones while a new translation derives help from its predecessors it should go further the recovery version of the new testament following the precedent set by the major authoritative english versions and taking these versions as reference not only incorporates lessons learned from an examination of others practices but also attempts to avoid biases and inaccurate judgments this version frequently guided by other versions attempts to provide the best utterance for the revelation in the divine word that it may be expressed in the english language with the greatest accuracy translating the bible depends not only on an adequate comprehension of the original language but also on a proper understanding of the divine revelation in the holy word throughout the centuries the understanding of the divine revelation possessed by the saints has always been based upon the light they received and this understanding has progressed steadily the consummation of this understanding forms the basis of this translation and its footnotes hence this translation and the accompanying footnotes could be called the crystallization of the understanding of the divine revelation which the saints everywhere have attained to in the past two thousand years it is our hope that the recovery version will carry on the heritage that it has received and will pave the way for future generations as with any new testament translation the determination of the original greek text based upon the available manuscripts forms the basis for the text of the recovery version of the new testament the recovery version follows for the most part the nestle aland greek text as found in novum testamentum graece 26th edition however in determining the original form of any verse the translators of the recovery version gave careful consideration to the larger context of chapter and book and to similar portions of the new testament the most recently discovered manuscripts or the manuscripts of oldest date are not necessarily the most accurate or reliable hence the determination of the text for this version was based largely upon the principle stated above departures from the nestle aland text are sometimes indicated in the footnotes italicized words in the verses indicate supplied words not found in the greek text quotation marks are used to indicate close quotation from the old testament the recovery version embodies extensive research into the meaning of the original text and attempts to express this meaning with english that is to the point easy to understand and readable in those places where it is difficult to express the exact meaning of the original greek explanatory footnotes have been supplied the subject provided at the beginning of each book and the outline of each book take the historical facts as their base and express the spiritual meaning in each book the footnotes stress the revelation of the truth the spiritual light and the supply of life more than history geography and persons the cross references lead not only to other verses with the same expressions and facts but also to other matters related to the spiritual revelation in the divine word

the collected works of witness lee 1984 volume 2 contains messages given by brother witness lee from february 6 through 18 1984 during those two weeks brother
