i am not the first member of my family to leap over a wall nearly four hundred years ago my ancestor thomas baldwin of diddlebury leaped to freedom from behind the walls of the tower of london where he had been imprisoned for taking part in a plot for the escape of mary queen of scots his name with an inscription and the date july 1585 can still be seen where he carved it on the wall of his cell in the beauchamp tower later he added a motto to his coat of arms per deum meum transilio murum by the help of my god i leap over the wall it has been the family

motto of the baldwins ever since but the wall that i leapt over was a spiritual and not a material obstacle in 1914 my cousin william sparrow who disapproved of my entering the convent wrote to me knowing you as i do i can safely predict that it will be with you as with another fair and foolish female whose unwisdom caused her to languish long behind prison walls your end will be your beginning i commend these words with those of the family motto to your meditations taken together they may suggest a course of action in years to come in the following pages i have tried to describe what happened when my cousin s rather ambiguous prophecy was fulfilled it is a rash and foolhardy undertaking in the circumstances for i really know nothing about anything except perhaps what goes on behind high convent walls my only excuse is that so many and such different kinds of people have urged me to attempt it some of them said to me because of your past environment your angle is unusual it should interest people you ought to write about it others simply bombarded me with questions it is chiefly on their account that i have embarked upon this book some of the remarks made to me revealed such fantastically wrong ideas about nuns and convents that i began to feel something ought to be done to put the monastic ideal in a truer perspective for those who know little or nothing about it so i have tried to write accurately and fairly about life in a strictly enclosed convent as i myself experienced it to do this it was necessary to describe not only the wonderful and exalted spiritual ideal which inspires that life but also certain aspects of it which for various reasons may perhaps leave something to be desired i do not feel that i have done my subject justice if however these pages help to straighten out even a few of the curiously crooked notions which so many people still appear to retain about convents i shall be well satisfied
