a little dark a little romance at times deep a little devilish and thought provoking but always taking you somewhere be careful though because maybe that somewhere is a place where you won't want to be alone

reading on the edge explores the notion of multiple cultural identity and exile in the work of marcel proust james joyce and james baldwin focusing on the cultural politics of modernism through the prism of cultural theory the book reconceives each author's work while at the same time redrawing modernism's traditionally eurocentric disciplinary boundaries the book therefore has wide implications for our understanding of modernism and the modernist canon

this report gathers collates the best national data available to provide a reliable comprehensive overview of american reading today this report relies on the most accurate data available which consists of large nat studies conducted on a regular basis by u s fed agencies supplemented by academic foundation business surveys although there has been measurable progress in recent years in reading ability at the elementary school level all progress appears to halt as children enter their teenage years there is a general decline in reading among teenage adult americans both reading ability the habit of regular reading have greatly declined among college grad the declines have demonstrable social economic cultural civic implications illus
