this informative survey provides a thematic global history of popular culture focusing on the period since the end of the world war ii raymond betts considers the rapid diffusion and hybridization of popular culture as the result of three conditions of the world

the second edition of popular culture in american history updates the text for a contemporary readership and explores academic developments in this area of study over the last decade fully revised second edition with over 50 percent new material compact and classroom friendly format includes the best writing on popular culture from the 1970s onwards essays examine pivotal moments issues and genres in american popular culture from the penny press to the internet

in this eighth edition of his award winning cultural theory and popular culture an introduction john storey presents a clear and critical survey of competing theories of and various approaches to popular culture its breadth and theoretical unity exemplified through popular culture means that it can be flexibly and relevantly applied across a number of disciplines retaining the accessible approach of previous editions and using appropriate examples from the texts and practices of popular culture this new edition remains a key introduction to the area new to this edition revised rewritten and updated throughout brand new chapter on class and popular culture updated student resources at routledge com cw storey the new edition remains essential reading for undergraduate and postgraduate students of cultural studies media studies communication studies the sociology of culture popular culture and other related subjects

with amusement for all is a sweeping interpretative history of american popular culture providing deep insights into various individuals events and movements leroy ashby explores the development and influence of popular culture from minstrel shows to hip hop from the penny press to pulp magazines from the nba to nascar and much in between by placing the evolution of popular amusement in historical context ashby illuminates the complex ways in which popular culture both reflects and transforms american society he demonstrates a recurring pattern in democratic culture by showing how groups and individuals on the cultural and social periphery have profoundly altered the nature of mainstream entertainment the

mainstream has repeatedly co-opted and sanitized marginal trends in a process that continues to shift the limits of acceptability. Ashby describes how social control and notions of public morality often vie with the bold, erotic and sensational as entrepreneurs finesse the vagaries of the market and shape public appetites. Ashby argues that popular culture is indeed a democratic art as it entertains the masses, provides opportunities for powerless and disadvantaged individuals to succeed and responds to changing public hopes, fears and desires. However, it has also served to reinforce prejudices leading to discrimination and violence. Accordingly, the study of popular culture reveals the often dubious contours of the American dream. With amusement for all, never losing sight of pop culture's primary goal, the buying and selling of fun, ironically, although popular culture has drawn an enormous variety of amusements from grassroots origins, the biggest winners are most often sprawling corporations with little connection to a movement's original innovators.

This volume presents archeological studies in conjunction with cultural anthropological studies as a means to enhance popular culture studies. Scholar Malcolm K. Shuman points out that the study of archeology must be careful to chart the total human content of an artifact because archeology is a profoundly human and humanizing endeavor that cannot be divorced from the matrix of human life. The other ten essays cover aspects of archeology and cultural anthropology, and the authors are meticulous in studying their subject in context.

Chronicles the history of popular culture in America from 1930 through 1959 and discusses advertising, architecture, print media, entertainment, fashion, food, music, sports, art and more, and includes a time line for each decade.

An informative and entertaining introduction to the study of popular culture as the culture of the people. Popular culture provides a sense of identity that binds individuals to the greater society and unites the masses on ideals of acceptable forms of behavior. Lessons learned from popular culture offers an informative and entertaining look at the social relevance of popular culture, focusing on a wide range of topics including film, television, social media, music, radio, cartoons and comics, books, fashion, celebrities, sports and virtual reality. Tim Delaney and Tim Madigan demonstrate how popular culture, in contrast to folk or high culture, gives individuals an

opportunity to impact modify or even change prevailing sentiments and norms of behavior for each topic they include six engaging and accessible stories that conclude with short life lessons whether you re a fan of the big bang theory or seinfeld the beatles or beyoncé charlie brown or superman there s something for everyone
