the third edition of spaceflight directory contains the latest developments in shuttle technology and updated details on the military use of space it also examines the role of soviet leadership in manned space activities and includes a more comprehensive space contractors section

this volume identifies and evaluates the relationship between outer space geography and geographic position astrogeography and the evolution of current and future military space strategy in doing so it explores five primary propositions

geopolitical conditions influence all strategic behaviour even when cooperation among different kinds of military power is expected as the norm action has to be planned and executed in specific physical environments the geographical world cannot be avoided and it happens to be

organized into land sea air and space and possibly the electromagnetic spectrum including cyberspace although the meaning of geography for strategy is a perpetual historical theme explicit theory on the subject is only one hundred years old ideas about the implication of geographical especially spatial relationships for political power which is to say geopolitics flourished early in the twentieth century divided into theory and practice sections this volume covers the big names such as mackinder mahan and haushofer as well as looking back at the vital influence of weather and geography on naval power in the long age of sail sixteenth to nineteenth centuries it also looks forward to the consequences of the revival of geopolitics in post soviet russia and the new space based field of astropolitics

this book covers the development of space technology in the late 1950s and 1960s from the launch of sputnik 1 in october 1957 to the landing of men on the moon in 1969 the text begins by looking at the challenge of getting into space and the development of the launch of the space launch vehicle and moves on to discussion of unmanned satellites and spaceprobes and the first capsules deployed in earth orbit and the apollo missions to the moon

includes a mid december issue called buyer guide edition
