the more i read about shackleton the more i realized how truly heroic leadership is almost impossible to find in todays businesses despite all the research and programs devoted to motivating employees most workers admit they feel disenfranchised in their daily work life in reading the shackleton story it became clear to me that shackletons leadership lessons could benefit these very same people this book is my attempt to bring an extraordinary explorers leadership lessons to those business leaders who on a daily basis must guide their workforce towards a common goal because shackletons story is more than just one man fighting for survival in the arctic region it is about coordinating teamwork under the most strenuous conditions even in the fast paced and often unpredictable business world leaders can use shackletons strategies to make every team effort a successful one in this book are inspirational lessons from one of the greatest leaders of the 20th century lessons that can enrich both the way we work and the lives of those we lead

this study examines contingency purchases for operation iraqi freedom made in theater during fiscal years 2003 and 2004 and develops a custom database to determine the extent of contractor support and how plans for the organization and execution of contingency activities might be improved to better support the warfighter in future operations

this book covers three main types of agricultural systems the use of robotics drones unmanned aerial vehicles and satellite guided precision farming methods some of these are well refined and are currently in use while others are in need of refinement and are yet to become popular the book provides a valuable source of information on this developing field for those involved with agriculture and farming and agricultural engineering the book is also applicable as a textbook for students and a reference for faculty

a wildfire threatens to turn a fishing trip deadly for a group of friends in this high stakes adventure set in the american wilderness things are tense for the middle schoolers in mccall idaho so when annette willard suggests a fishing trip swann siddiq kelton fielding and hunter and yumi higgins all jump at the chance to get away from the drama the group ventures out into the idaho woods to annette s favorite river spot but with the other four coupling off yumi quickly feels like she s the only one catching fish not feelings letting the others stay behind yumi makes her way home when she runs into swann s rival mckenzie crenner and her friends and instantly connects with professional fisher mason bridger but when they spot smoke rising in the woods between town and their fishing spot they realize there s a forest fire raging and closing in on them the two friend groups must put aside their feud and work together if they re going to get out of the forest alive

illustrated throughout with stunning color photographs purebred homegrown is an affectionate and thoughtful look at the history of county fairs and their tradition and persistence today despite the diminished number of americans who earn their living from agriculture

introducing marketing from a real world practical perspective this text lets students see how people just like them are actually doing real marketing case studies focus on companies where the answers are not clear cut
