doorway thoughts cross cultural health care for older adults volume iii addresses the told of religion in health care decision making in america this book focuses on how clinicians caring for older adults can develop an understanding of different religious groups to care for their patients effectively chapters in this volume address cross cultural health care for older adults from varying religions including american indian traditions and theologies buddhism christianity hinduism islam judaism and many more

this groundbreaking book blends international relations and gender history to provide a new understanding of the spanish american and philippine american wars kristin l hoganson shows how gendered ideas about citizenship and political leadership influenced jingoist political leaders desire to wage these conflicts and she traces how they manipulated ideas about gender to embroil the nation in war she argues that racial beliefs were only part of the cultural framework that undergirded u s martial policies at the turn of the century gender beliefs also affected the rise and fall of the nation s imperialist impulse drawing on an extensive range of sources including congressional debates campaign speeches political tracts newspapers magazines

political cartoons and the papers of politicians soldiers suffragists and other political activists hoganson discusses how concerns about manhood affected debates over war and empire she demonstrates that jingoist political leaders distressed by the passing of the civil war generation and by women s incursions into electoral politics embraced war as an opportunity to promote a political vision in which soldiers were venerated as model citizens and women remained on the fringes of political life these gender concerns not only played an important role in the spanish american and philippine american wars they have echoes in later time periods says the author and recognizing their significance has powerful ramifications for the way we view international relations yale historical publications
