in africa the emphasis on family marriage and offspring suggest that there is a kind of an unwritten ancestral law that imposes on every male the duty of begetting a son the reason is because the core of african soteriology is centered on offspring the predicament of the childless couples therefore stems from the desire for immortality and salvation that culminates in the admission of the dead into the ancestral world this quest for salvation and immortality constitute social emotional psychological and spiritual problems for christian as well as non christian childless couples

in a world full of suffering and death humans long for abundant life in this esbt volume jeff brannon explores how the hope of life after death is woven throughout scripture as we follow the biblical themes of creation fall and redemption we begin to understand the doctrine of resurrection and what it means for christian faith and discipleship

writing in the wake of a near fatal stroke eminent theologian anthony c thiselton addresses a universally significant topic death and what comes next this distinctive study of the last things comprehensively explores questions about individual death the intermediate state the return of christ the resurrection of the dead hell the final state of the redeemed and more at once scholarly and pastoral thiselton s life after death offers biblically astute historically informed and intellectually sound answers making this book an invaluable resource for thinking christians

unlike many books about the afterlife life after death makes no appeal to religious faith divine revelation or sacred texts drawing on

some of the most powerful theories and trends in physics evolutionary biology science philosophy and psychology d souza shows why the atheist critique of immortality is irrational it is not only reasonable to believe in life after death it is also beneficial such a belief gives depth and significance to this life a path to happiness and reason for hope

a magisterial work of social history life after death illuminates the many different ways ancient civilizations grappled with the question of what exactly happens to us after we die in a masterful exploration of how western civilizations have defined the afterlife alan f segal weaves together biblical and literary scholarship sociology history and philosophy a renowned scholar segal examines the maps of the afterlife found in western religious texts and reveals not only what various cultures believed but how their notions reflected their societies realities and ideals and why those beliefs changed over time he maintains that the afterlife is the mirror in which a society arranges its concept of the self the composition process for judaism christianity and islam begins in grief and ends in the victory of the self over death arguing that in every religious tradition the afterlife represents the ultimate reward for the good segal combines historical and anthropological data with insights gleaned from religious and philosophical writings to explain the following mysteries why the egyptians insisted on an afterlife in heaven while the body was embalmed in a tomb on earth why the babylonians viewed the dead as living in underground prisons why the hebrews remained silent about life after death during the period of the first temple yet embraced it in the second temple period 534 b c e 70 c e and why christianity placed the afterlife in the center of its belief system he discusses the inner dialogues and arguments within judaism and christianity showing the underlying dynamic behind them as well as the ideas that mark the differences between the two religions in a thoughtful examination of the influence of biblical views of heaven and martyrdom on islamic beliefs he offers a fascinating perspective on the current troubling rise of islamic fundamentalism in tracing the organic historical relationships between sacred texts and communities of belief and comparing the visions of life after death that have emerged throughout history segal sheds a bright revealing light on the intimate connections between notions of the afterlife the societies that produced them

and the individual's search for the ultimate meaning of life on earth

a study of the common phenomena related by people who have been revived from clinical death

on october 16 and 17 2000 we hosted an international workshop entitled statistical design measurement and analysis of health related quality of life the workshop was held in the beautiful city of arradon south brittany france with the main goal of fostering an interdisciplinary forum for discussion of theoretical and applied statistical issues arising in studies of health related quality of life hrqol included were biostatisticians psychometricians and public health professionals e g physicians sociologists psychologists active in the study of hrqol in assembling this volume we invited each conference participant to contribute a paper based on his or her presentation and the ensuing and very interesting discussions that took place in arradon all papers were peer reviewed by anonymous reviewers and revised before final editing and acceptance although this process was quite time consuming we believe that it greatly improved the volume as a whole making this book a valuable contribution to the field of hrqol research the volume presents a broad spectrum of papers presented at the workshop and thus illustrates the range of current research related to the theory methods and applications of hrqol as well as the interdisciplinary nature of this work following an introduction written by sir david cox it includes 27 articles organized into the following chapters

we all face death but how many of us are actually ready for it whether our own death or that of a loved one comes first how prepared are we spiritually or practically in preparing to die andrew holecek presents a wide array of resources to help the reader address this unfinished business part one shows how to prepare one's mind and how to help others before during and after death the author explains how spiritual preparation for death can completely transform our relationship to the end of life dissolving our fear and helping us to feel open and receptive to letting go in the dying process daily meditation practices the stages of dying and how to work

with them and after death experiences are all detailed in ways that will be particularly helpful for those with an interest in tibetan buddhism and in tibetan approaches to conscious dying part two addresses the practical issues that surround death experts in grief hospice the funeral business and the medical and legal issues of death contribute chapters to prepare the reader for every practical concern including advance directives green funerals the signs of death warnings about the funeral industry the stages of grief and practical care for the dying part three contains heart advice from twenty of the best known tibetan buddhist masters now teaching in the west these brief interviews provide words of solace and wisdom to guide the dying and their caregivers during this challenging time preparing to die is for anyone interested in learning how to prepare for death from a buddhist perspective both spiritually and practically it is also for those who want to learn how to help someone else who is dying both during the time of illness and death as well as after death
