developed by and for public works professionals the widely used public works management practices manual updates and improves statements which describe the basic criteria and procedures necessary to perform as a full service public works agency and provides the framework for the objective self evaluation of an agency

texas rules of evidence manual ninth edition provides an updated comprehensive reference to texas evidence for both civil and criminal cases the book provides a rule by rule analysis of each rule of evidence this sturdy hard cover text is designed for heavy use in the courtroom this text helps those who are bound to use the texas rules of evidence whether it is the bench or the bar or those studying evidence while the text contains some academic discussions the book is designed to explain what a particular rule requires or prohibits to indicate what the appellate courts have said about the rules and to offer some practical pointers on using the rules the book itself has been designed to make it as useful as possible to the harried judge counsel and student who must quickly find the law following each rule is an editorial commentary on the rule explaining how the rule works what the texas courts have said about the rule and how it compares with the federal rule because texas courts often review federal precedent where they find it helpful in applying a texas rule when appropriate practical pointers are also provided on how to use the rule where the rules apply in the same fashion for both civil and criminal cases those points are discussed together on the other hand where they diverge the authors have used separate headings for civil and criminal when that seems appropriate one of the objectives of the editorial analysis in this

text is to deal with the interrelationships of the various rules the authors have noted those areas where the rules differ from pre rules case law or statutory provisions some of the rules changed the prior texas evidence law and although many of the texas rules agree with the federal rules a number differ significantly

since it was established in 1967 ala s office for intellectual freedom oif has championed the rights of library users to seek and receive information on all subjects from all points of view without restriction and without having the subject of one s interest examined or scrutinized by others the new edition of the intellectual freedom manual is more than just an invaluable compendium of guiding principles and policies it s also an indispensable resource for day to day guidance on maintaining free and equal access to information for all people fortifying and emboldening professionals and students from across the library spectrum this manual includes 34 ala policy statements and documents 17 new or updated for this edition addressing patron behavior internet use copyright exhibits use of meeting spaces and other common concerns at a glance lists summarizing key issues such as access challenges and censorship access by minors to controversial materials and advocacy explanations of legal points in clear easy to understand language alongside case citations numerous checklists to help readers stay organized a glossary and selected bibliography this must have tool will help librarians ensure that institutions of all kinds remain beacons of intellectual freedom
