i read someone s review of the book principles for success by ray dalio in which he was really angry with the author this book is completely misleading not worth the price and i wasn t expecting this from ray dalio this book is for kids who know nothing about success or life or leadership but i saw something completely different in this book i met an inspirational book highlighting principles of success and accompanied by stunning illustrations as usual i turned ray dalio s theory into an applicable practice that would give practical value to those who would follow it

transform their lives

of all the writings on theory and aesthetics ancient medieval or modern the most important is indisputably aristotle s poetics the first philosophical treatise to propound a theory of literature in the poetics aristotle writes that he will speak of comedy but there is no further mention of comedy aristotle writes also that he will address catharsis and an analysis of what is funny but he does not actually address any of those ideas the surviving poetics is incomplete until today here walter watson offers a new interpretation of the lost second book of aristotle s poetics based on richard janko s philological reconstruction of the epitome a summary first recovered in 1839 and hotly contested thereafter watson mounts a compelling philosophical argument that places the statements of this summary of the aristotelian text in their true context watson renders lucid and complete explanations of aristotle s ideas about catharsis comedy and a summary account of the different types of poetry ideas that influenced not only cicero s theory of the ridiculous but also freud s theory of jokes humor and the comic finally more than two millennia after it was first written and after five hundred years of scrutiny aristotle s poetics is more complete than ever before here at last aristotle s lost second book is found again

better income is one of the most desired and important goals in the u s luckily there is no secret formula for building wealth that only select people have access to anyone can become a millionaire regardless of background or profession people need to believe that they deserve to become wealthy and apply themselves toward this goal this is what this book is all about simple principles tm to become a millionaire gives readers practical tips they can apply immediately to help them build wealth written in a direct easy to read style this book provides the basics on topics such as thinking like a millionaire willpower and discipline taking risks and making the right decisions the wisdom in simple principles tm to become a millionaire will benefit readers no matter what their financial situation in addition to the 200 powerful principles for becoming wealthy and their supporting text this book contains detailed information on everything readers must know to maintain invest and
