the philippines reported home of several terrorist groups and the site of innumerable bombings in recent years presents a rather bright contrast to other countries in asia the philippines includes over 7 100 islands but most of the land area is shared among the 11 largest islands the majority of philippine people are of malay stock descendants of indonesians and malays who migrated to the islands long before the christian era the most significant ethnic minority group is the chinese who have played an important role in commerce since the ninth century when they first came to the islands to trade as a result of intermarriage many filipinos have some chinese and spanish ancestry americans and spaniards constitute the next largest alien minorities in the country about 90 per cent of the people are christian most were converted and westernised to varying degrees during nearly 400 years of spanish and american rule the major non hispanicised groups are the muslim population concentrated in the sulu archipelago and in central and western mindanao and the mountain groups of northern luzon small forest tribes live in the more remote areas of mindanao malay polynesian linguistic family about 40 percent of the population lives in poverty while a wealthy minority holds most political power

interdisciplinary collection placing the u s imperial project in the philippines within a global comparative framework

if you are visiting the philippines for business leisure study or meeting friends this book is suitable for you to understand filipino culture instantly do you want to know how to survive in the philippines start with this book what is the philippines like philippine culture is similar to its asian neighbors but it is westernized at the same time it is beautiful yet it does have an ugly side each nation s culture is unique and different it is neither right nor wrong but we view different cultures based on our own opinions and biases our knowledge of the philippines is mostly one sided and incomplete in some developed countries we see filipino workers as second class citizens western media always negatively portray the country as generally third world with news involving drugs and lack of security while tourists only briefly stay with good memories of beautiful beaches and islands we owe the philippines a fair realistic portrayal jc ting is a taiwanese national currently based in the philippines he writes this book to capture his philippine experiences he is a cultural ambassador with traits molded through the social influences of his taiwanese roots and his degree in cultural management jc captures his observations and learnings by diligently writing notes as they come he would also document these moments in the most proactive way his works are essentially a representation of his personal growth and journey that would make us laugh cry and rationalize this is a book written from an asian expat s viewpoint instead of a western perspective we will discuss topics ranging from relationships to working environment society and culture to food and fashion to healthcare if you are visiting the philippines for business leisure study or meeting friends this book is suitable for you to understand filipino culture instantly don t misunderstand though this is definitely not a travel guidebook primarily this book is for everyone a personal story that every individual can identify with as it deals with the basic essence of life love health and

survival

this book gives a detailed description of the author's trip around the philippines and the time spent with locals it provides an intimate glimpse of daily life on the islands from a foreigner's viewpoint it details celebrations traditions local culture natural disasters and day to day life it paints a colourful and upbeat picture of life

this work addresses key topics which should be of interest to the academic and non academic reader such as the national level electoral politics economic growth the philippine chinese law and order opposition the left and local and ethnic politics

culture and customs of the philippines provides the best general overview to the asian archipelago and to a people with close ties to the united states and a long history of emigration and contributions to this country the volume emphasizes how the strong indigenous philippine culture meshes with constant influences from the west rodell a specialist in philippine history and society superbly evokes the breadth of the philippines for students and the general public the wide variety of philippine traditions is seen in each topic covered the land people and history religion and thought literature and art architecture cuisine and fashion gender marriage and family festivals media film and leisure activities music and dance and social customs and lifestyle culture and customs of the philippines is crucial to multicultural reference collections today needing authoritative information on contemporary asia that will capture readers attention interest in the philippines a former u s colony is especially high some highlights of the volume include discussion of the tagalog the principal ethnic group the amalgamation of christian folk and muslim beliefs the bahay kubo the rural house style and the all important philippine family a chronology glossary and numerous photos enhance the text

this title was first published in 2002 presenting a fresh understanding of the construction of post colonial national identity in the new context of globalization this text looks at the dilemmas of the requirement to compete in the global economy and the political demands of human rights and cultural differences the authors are concerned with the ways in which a modern state attempts to mould the identities of its citizens and the ways in which the myriad of identities in a multiethnic multicultural and multi religious population give rise to intense contradictions this important research will have implications beyond the filipino case and will be of great interest to a wider audience as a reference for courses on asian studies political science and history
