a 5 □ x 8 leather bound bible annotated with complete and cross referenced commentaries from ellen g white the author of desire of ages which has been recognized by the library of congress as the best book about christ jesus the compactness of the bible belies the richness of the content the compact bible is a stand alone reference library for sermon preparation bible studies and personal devotional readings because you have e g white s comments and appropriate

illustrations right on the same page as the bible passages as well as a comprehensive concordance question and answer bible study topics and many more features using the compact bible is like having a compact library on the go this bible was sold at abc bookstore from 1997

at a time of renewed interest in empire this stimulating volume explores the complex relationship between the bible and the colonial enterprise and examines some overlooked aspects of this relationship these include unconventional retellings of the gospel story of jesus by thomas jefferson and raja rammohun roy the fate of biblical texts when marshalled by victorian preachers to strengthen british imperial intentions after the india uprising of 1857 the cultural political use of the christian old testament first by the invaders to attack temple practices and rituals then by the invaded to endorse the temple heritage scorned by missionaries the dissident hermeneutics of james long and william colenso confronting and compromising with colonial ambitions and finally the subtly seditious deployment of biblical citations in two colonial novels this innovative book offers both practical and theoretical insights and provides compelling evidence of the continuing importance of postcolonial discourse for biblical studies

a literary history of our most influential book of all time by an oxford scholar and anglican priest in our culture the bible is monolithic it is a collection of books that has been unchanged and unchallenged since the earliest days of the christian church the idea of the bible as holy scripture a non negotiable authority straight from god has prevailed in western society for some time and while it provides a firm foundation for centuries of christian teaching it denies the depth variety and richness of this fascinating text in a history of the bible john barton argues that the bible is not a prescription to a complete fixed religious system but rather a product of a long and intriguing process which has inspired judaism and christianity but still does not describe the whole of either religion barton shows how the bible is indeed an important source of religious insight for jews and christians alike yet argues that it must be read in its historical context from its beginnings in myth and folklore to its many interpretations throughout the centuries it is a book full of narratives laws proverbs prophecies poems and letters each with their own

character and origin stories barton explains how and by whom these disparate pieces were written how they were canonized and which ones weren't and how they were assembled disseminated and interpreted around the world and importantly to what effect ultimately a history of the bible argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the bible's literal wording which is impossible to determine and focus instead on the broader meanings of scripture

with page upon page of names like melchizedek mephibosheth and meshelemiah hundreds of stories some touching others humorous and still others that are gruesome sometimes difficult to understand theology and strange visions who wouldn't feel overwhelmed and confused about the bible how does it all fit together but imagine that the bible is a 1 000 piece puzzle it's easier to figure out what you're putting together if you have the picture on the box to go by and the corners and straight edges as guides the chapters in this book provide the puzzle's box cover corners and straight edged pieces providing you with the key to unlock the secret of the bible putting together the puzzle of the bible breaks up both the old and new testament in digestible chunks or eras when you read or study bible passages the knowledge of those eras will enable you to place the passage in its chronological context and easily understand how the puzzle fits together putting together the puzzle of the bible is ideal for those who have little or no familiarity with the bible or for pastors and lay leaders to help teach a better understanding of the word of god

a clear guide to help readers understand why they can trust the bible we are often told we can no longer assume that the bible is trustworthy from social media memes to popular scholarship so many attacks have been launched on the believability of scripture that many have serious questions about the bible such as did jesus actually live did the biblical writers invent their message how can we trust the gospels since they were written so long after jesus lived how can we believe a bible that is full of internal contradictions with itself and external contradictions with science aren't the biblical manuscripts we have just copies of copies that are so corrupted they don't represent what the original authors wrote

why should we believe the books that are in the bible since many good ones were left out like the gospel of thomas why trust the bible when there are so many contradictory translations of it if you find yourself unable to answer questions such as these but wanting to why i trust the bible by eminent bible scholar and translator william mounce is for you these questions and more are discussed and answered in a reasoned definitive and winsome way the truth is that the bible is better attested and more defensible today than it ever has been questions about the bible are perhaps the most significant challenge confronting christian faith today but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the bible

celebrate your moment life is full of highs and lows the message bible has the words to carry you through each one words of comfort and celebration words of heartache and hope enjoy the gifts that life brings and a bible that can express each moment the message is a reading bible translated from the original greek and hebrew scriptures by scholar pastor author and poet eugene peterson thoroughly reviewed and approved by 20 biblical scholars the message combines the authority of god s word with the cadence and energy of conversational english for the first time as a gift bible the message includes all these popular features personalize your bible with the colorful presentation page find passages with the message s unique verse numbered paragraphs get your bearings with handcrafted maps charts and timelines use your bible for years to come with its durable binding keep your place with a satin ribbon marker read the message and fill your life with the unexpected passion and personality that fill god s word

does the bible justify zionism since the foundation of the israeli state in 1948 torah and tank have become increasingly inseparable resulting in the forced expulsion and subjugation of millions of indigenous palestinians nur masalha s groundbreaking new book traces zionism s evolution from a secular settler movement in the late 19th century to the messianic faith it has become today he shows how the biblical language of chosen people and promised land has been used by many christian and jewish zionists as the title deeds for israel justifying ethnic division and violence with edward said masalha argues that a new politics of

peace can only be achieved through a single democratic state which replaces religious zealotry with secular equality
