analyses of state power in morocco have always been mired in exoticism or exceptionalism the kingdom is said to be a prototype of political immobility a country caught in the authoritarian and conservative grip of its monarch known as the commander of the faithful a state in need of democratisation but also a bastion of moderate islam drawing on thirty years of fieldwork interviews and extensive primary documentation béatrice hibou and mohamed tozy reveal how demographic political and cultural changes have transformed morocco s government and modes of domination from its pre colonial past to the present interrogating the ideas of empire and nation state as particular forms of rule they examine the legacy of

the centuries long sharifian empire in relation to the contemporary neoliberal government they show how imperial traditions and the modern state co exist today in an intricate tapestry of seemingly contradictory power relations different understandings of legitimacy and competing visions of authority sovereignty and responsibility drawing on the work of max weber and michel foucault weaving political time in morocco is a comprehensive comparative examination of the evolution and continuities of state power in this complex north african country

since independence in 1956 large numbers of moroccans have been forcibly disappeared tortured and imprisoned morocco s uncovering and acknowledging of these past human rights abuses are complicated and revealing processes a community of human rights activists many of them survivors of human rights violations are attempting to reconstruct the past and explain what truly happened what are the difficulties in presenting any event whose central content is individual pain when any corroborating police or governmental documentation is denied or absent susan slyomovics argues that funerals eulogies mock trials vigils and sit ins public testimony and witnessing storytelling and poetry recitals are performances of human rights and strategies for opening public space in morocco the performance of human rights in morocco is a unique distillation of politics anthropology and performance studies offering both a clear picture of the present state of human rights and a vision of a possible future for public protest and dissidence in morocco

exploring the concept of colonial cultures this book analyses how these cultures both transformed and were transformed by their various societies challenging both the colonial vulgate and the nationalist paradigm revisiting the colonial past in morocco examines the lesser known specificities of particular moments practices and institutions in morocco with the aim of uncovering a new colonial history by examining society on a micro level this book raises the profiles of the mass of moroccans who were highly influential in the colonial period yet have been excluded from the historical record because of a lack of textual source material introducing social and cultural history gender studies and literary criticism to the more traditional economic political and military studies the book promotes a more complex and nuanced understanding of moroccan colonial history employing new theoretical and methodological approaches this volume encourages a re assessment of existing work and promotes a more interdisciplinary approach to the colonial history of morocco revisiting the colonial past in morocco is a highly topical and useful addition to literature on the subject and will be of interest to students and scholars of history imperialism and more generally middle eastern studies
