sailing made easy is the first step in a voyage that will last you the rest of your life it is a gift from a group of dedicated sailing professionals who have committed their lives to sharing their art their skill and their passion for this wonderful activity this book which sailing magazine called best in class upon its release in 2010 is the most comprehensive education and boating safety learn to sail guide to date it is also the official textbook for the asa basic keelboat standard asa 101 incorporated in the textbook are useful illustrations and exceptional photographs of complex sailing concepts the text s most distinguishing feature is its user friendly spreads in which instructional topics are self contained on opposing pages throughout the book there are also chapter end quizzes and a glossary to help those new to sailing to navigate their way through the extensive nautical terminology

coastal cruising made easy is not only the official textbook for the asa basic coastal cruising standard asa 103 but also the definitive go to resource for all sailors who enjoy cruising and destination oriented sailing the text is published in full color and contains striking sailing photography from well known photographer billy black and world class illustrations from award winning illustrator peter bull one of the text s most distinguishing features is its user friendly spreads in which instructional topics are self contained on opposing pages throughout the book this easy to read learning tool follows the critically acclaimed sailing made easy which sailing magazine called best in class upon its release in 2010 sailing made easy is the 1 resource in basic sailing education and coastal cruising made easy is poised to become the industry standard in intermediate sailing education

bareboat cruising made easy is not only the official textbook for the asa bareboat cruising standard asa 104 but also the definitive go to resource for all sailors who enjoy cruising and destination oriented sailing it is an all in one reference book that includes everything a cruising sailor needs to know from general planning to technical guidance to sailing advice from its 4 color high end illustrations and photographs to its modern easy to read design bareboat cruising made easy is a beauty the 212 page book was created by a team of expert sailors writers editors and artists who shaped the content together making it the most helpful accurate and all inclusive chartering cruising manual

if you dream of following the early explorers who dared sail into waters beyond the known horizon you will need to become proficient in a great many facets of seamanship this book builds on the basic sailing skills you learned in the asa 101 course so you can venture toward more distant cruising grounds explore the inner workings of a cruising sailboat discover ways to get more performance out of your sails find out how to orient yourself on the water and measure your progress toward your destination know what weather signs to look for while on the water learn how to dock a sailboat under power back cover

why sailing flash cards flash cards in a book is an easy and simple way to learn and to remember the basic parts of the boat sails racing knots and rules having flash cards in a book enables you to learn at your own pace each flash card shows a diagram and a simple definition on the next page again these are simple terms that are an easy ways to jump start your beginning in sailing

having and reading this book will save you years of time not knowing terms and will also give you a great jump start into sailing there are simple flash cards at the beginning of the book that goes into do you know your stuff than a thirty page glossary of definitions with pictures and diagrams of every term finally the last section is how to start and run a college team or club enjoy

originally published in 1928 contents include on setting sail sailing with notes on balance

lugs strong winds and reefing rules of the road mooring stowing awnings down mast about knots on ship keeping the kitchen sailing dictionary etc written as help and encouragement for the learner illustrated with diagrams

i wrote this book as a guide to the beginning college sailor as a sailing coach at arizona state university i found that out of the forty students who signed up for the team one semester only four or five had a sailing background and limited at that i saw a need for an easy to read and easy to understand book that would not bore the reader to death with sailing terms that didn't apply to the high school or college sailor my goal is to make sailing a successful venture not only for the team or club but for each student wanting to sail this book will give you a good foundation for going to the next level
