this book analyses rape culture through the lens of the me too era drawing feminist theory into conversation with peace studies and improvisation theory it advocates for peace building opportunities to transform culture and for the improvisatory resources of culture jamming as a mechanism to dismantle rape culture the book s key argument is that cultural attitudes and behaviours can be shifted through the introduction of disrupting narratives so each chapter ends with a culture jammed re telling of a traditional fairy tale chapter 1 traces an overlap of feminist theory and peace studies arguing that rape culture is most fruitfully understood through the concept of structural violence chapter 2 investigates the gender scripts that rape culture produces considering a female counterpart to the concept of toxic masculinity complicit femininity chapter 3 offers analysis of non consensual sex and a history of consent education culminating in an argument that we need to move beyond consent to conceptualise a robust respectful mutuality chapter 4 s history of sexual harassment in the workplace and the rise of metoo argues that its global manifestations are a powerful peace building initiative chapter 5 situates me too within a culture jamming history using improvisation theory to show how this movement s potential can shape cultural reconstruction this is a provocative and interventionist addition to feminist theory scholarship and is suitable for researchers and students in women s and gender studies feminist theory sociology and peace studies

the first book to explore the role of hair in women s lives and what it reveals about their identities intimate relationships and work lives hair is one of the first things other people notice about us and is one of the primary ways we declare our identity to others both in our personal relationships and in relationships with the larger world hair sends an immediate signal that conveys messages about our gender age social class and more in rapunzel s daughters rose weitz first surveys the history of women s hair from the covered hair of the middle ages to the two foot high wildly ornamented styles of pre revolutionary france to the purple dyes worn by some modern teens in the remainder of the book weitz a

prominent sociologist explores through interviews with dozens of girls and women across the country what hair means today both to young girls and to women what part it plays in adolescent and adult struggles with identity how it can create conflicts in the workplace and how women face the changes in their hair that illness and aging can bring rapunzel s daughters is a work of deep scholarship as well as an eye opening and personal look at a surprisingly complex and fascinating subject

this important new book presents a comprehensive integration of psychoanalytic theories of human development from freud to the present showing their implications for the evaluation and treatment of children and adults phyllis tyson and robert l tyson not only review the literature on emotional growth but also provide a developmental theory of their own one that examines psychosexual development in the context of a number of other simultaneously evolving systems emotional behavioral cognitive and social all of which work in relation to one another in a dynamic way the authors describe the developmental sequences of these systems and how they coalesce to form the human personality the tysons view development as it occurs rather than retrospectively from reconstructions of earlier life experience they begin by tracing the history of this perspective describing the developmental process then critically reviewing psychoanalytic theories of development the authors present developmental sequences for psychosexuality object relations the sense of self affect cognition the superego gender identity and the ego throughout they maintain a central and orienting focus on the intrapsychic on what happens in the mind as it evolves in contrast to recent psychoanalytic emphases on interpersonal aspects of early development they view perceived and felt interpersonal interactions as working in conjunction with innate factors to provide the basis for the internal world according to the tysons it is the evolution and elaboration of this internal world that is the domain of psychoanalytic theory of development
