this book on social and cultural anthropology combines an account of the discipline's guiding principles and methodology with examples of anthropologists at work the book ends with an assessment of its position and a look forward to its future

beginning with a discussion of familiar images of the french revolution this work looks at how the ancien régime became ancien as well as examining cases in which achievement failed to match ambition

using vivid examples from their own research john monaghan and peter just provide an accessible account of anthropology's big questions what is unique about human beings how are groups of people family class tribe nation formed and what holds them together what is the nature of belief economic exchange the self p 4 of cover

peter singer identifies the central vision that unifies marx's thought enabling us to grasp marx's views as a whole he sees him as a philosopher primarily concerned with human freedom rather than as an economist or a social scientist he explains alienation historical materialism the economic theory of capital and marx's ideas of communism in plain english and concludes with an assessment of marx's legacy about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

presents fundamental philosophical questions as posed by ancient philosophers comparing and contrasting modern differences in approach and perspective

with many colourful anecdotes and vivid descriptions this is the first authentic account of daily life at government communications headquarters bletchley park the most successful intelligence agency in history described by churchill as the secret weapon that won the war the men and women of bletchley park here combine to write their story in full this book gives fascinating insights into recruitment and training together with a full and accurate account of codes and ciphers and how they are broken

this book is intended to capture the interest of anyone who has been attracted to russian culture through the greats of russian literature either through the texts themselves or encountering them in the cinema or opera rather than a conventional chronology of russian literature the book will explore the place and importance of literature of all sorts in russian culture how and when did a russian national literature come into being what shaped its creation how have the russians regarded their literary language the book will use the figure of pushkin the russian shakespeare as a recurring example as his work influenced every russian writer who came after him whether poets or novelists it will look at such questions as why russian writers are venerated how they've been interpreted inside russia and beyond and the influences of such things as the folk tale tradition orthodox religion and the west about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

a theoretical and political magazine of scientific socialism

melanie travis and her pedigree poodles are back on the case in watchdog the fifth installment in award winning author laurie r. king's delightfully dog friendly cozy mystery series it's autumn in connecticut melanie travis has just started a new job and with the added excitement of showing her standard poodle faith in the fall shows the last thing she wants is to become embroiled in yet

another of her brother Frank's money making schemes his current brainstorm remaking an old store in stylish suburban Fairfield County into a trendy coffee bar already has the neighbors snarling worse wealthy Marcus Rattigan who's bankrolling the project is found murdered on the premises and the police think Frank did it always the family watchdog and faced with Frank's imminent arrest Melanie has no choice but to take on the investigation drawing on her connections in the dog world Melanie is soon successfully unmuzzling the dead man's nearest and dearest but Melanie is about to learn that being a watchdog can sometimes be dangerous especially when every clue she uncovers leads her one step closer to a murderer who is desperate enough to kill again
