the work of hill on the law of the future has produced two volumes the law of the future and the future of law volumes i and ii that bring together 85 think pieces on legal trends in different areas of law and more than 10 interviews with key policy makers as well as incorporating the outcomes of 15 workshops with different legal and justice actors around the world the main question that emerged from this comprehensive process was what can one do with the different legal futures that might come to be as captured in the collection

law scenarios to 2030 this question could be rephrased who stragises this volume brings you the reflections on this question by a diverse group of thought and practice leaders from different fields and parts of the world strategy in the justice sector is not an easy thing at the same time the need for coherent strategies seems urgent this book seeks to be a catalyst for broad discussion on this challenge it includes chapters by geert corstens president dutch supreme court mark ellis executive director international bar association adama dieng special adviser to the un secretary general on genocide kimberly prost ombudsperson security council s 1267 committee and adel maged vice president egyptian court of cassation

building upon an interdisciplinary synthesis of recent literature from the fields of transitional justice and conflict transformation this book introduces a groundbreaking theoretical framework that highlights the critical importance of identity in the relationship between transitional justice and reconciliation in deeply divided societies using this framework aiken argues that transitional justice interventions will be successful in promoting reconciliation and sustainable peace to the extent that they can help to catalyze those crucial processes of social learning needed to transform the antagonistic relationships and identifications that divide post conflict societies even after the signing of formal peace agreements combining original field research and an extensive series of expert interviews aiken applies this social learning model in a comprehensive examination of both the south african truth and reconciliation commission and the uniquely decentralized approach to transitional justice that has emerged in northern ireland by offering new insight into the experiences of these countries aiken provides compelling firsthand evidence to suggest that transitional justice interventions can best contribute to post conflict reconciliation if they not only provide truth and justice for past human rights abuses but also help to promote contact dialogue and the amelioration of structural and material inequalities between former antagonists identity reconciliation and transitional justice makes a timely contribution to debates about how to best understand and address past human rights violations in post conflict societies and it offers a valuable resource to students scholars practitioners and policymakers dealing with these difficult issues

community justice discusses concepts of community within the context of justice policy and programs and addresses the important relationship between the criminal justice system and the community in the usa taking a bold stance in the criminal justice debate this book argues that crime management is more effective through the use of informal as opposed to formal social control it demonstrates how an increasing number of criminal justice elements are beginning to understand that the development of partnerships within the community that enhance informal social control will lead to a stabilization and possible a

decline in crime especially violent crime and make communities more liveable borrowing from an eclectic toolbox of ideas and strategies community organizing environmental crime prevention private public partnerships justice initiatives community justice puts forward a new approach to establishing safe communities and highlights the failure of the current american justice system in its lack of vision and misuse of resources providing detailed information about how community justice fits within each area of the criminal justice system and including relevant case studies to exemplify this philosophy in action this book is essential reading for undergraduate and postgraduate students of subjects such as criminology law and sociology

first published in 2000 this volume considers the past and present of the nhs in scotland since its inception in 1948 it features specialists in history nursing medicine and sociology the contributors tackle topics including nurses in 1948 historical reviews of the nhs both in 1948 and up until the present remote healthcare and the role of devolution for nursing and the politics of health in scotland along with an interview with dr david player the authors are united in addressing the state of perpetual change which has defined the nhs

the commission on social justice is an independent body set up by the late john smith to develop a vision of economic renewal and social reform in the uk in this report it sets out to show how intelligent welfare and new economic opportunities can be the driving force for national renewal

this work aims to act as a central reference point for the application of organizational justice helping human resource managers relate the importance of organizational justice within the workplace

taking in a century of change this work focuses on how the supreme court brought the juvenile court system under constitutional control it describes the case of gerald gault an arizona teenager who was sent to reform school for making an obscene phone call

examines and compares various forms of government in industrialized countries

this report is an account of the analysis of the submissions on rape study and its publication concludes the formal study of the experience of rape victims preface

this volume is a review of recent research on criminal justice issues with a careful balance of research theory and practice

designated a doody's core title together for the first time all your forensic social work best

practice needs in one volume a vitally important addition to this emerging and essential body of knowledge this compelling publication places between two covers a broad collection of informative original essays on core issues in forensic social work this engaging volume offers readers keen insights into forensic practice related to child abuse and neglect domestic violence suicide psychiatric care and mental illness juvenile justice adult corrections addictions trauma and restorative justice from the foreword by frederic g reamer school of social work rhode island college from expert testimony advice to treating hiv positive incarcerated women this handbook contains the most current research and tested field practices for child welfare through adulthood in the civil and criminal system encompassing a wide range of treatments roles specialized practices research and diagnoses the handbook of forensic mental health with victims and offenders will guide practicing professionals through the forensic social work issues they encounter on a daily basis such as prevention of prisoners sudden deaths expert witness testimony in child welfare and women battering treatment of dually diagnosed adolescents the overrepresentation of african americans incarcerated for juvenile delinquency jail mental health services for adults drug courts and ptsd in inmates with substance abuse histories recidivism prevention basic tasks in post trauma intervention with victims and offenders culture and gender considerations in restorative justice edited by dr albert r roberts and dr david w springer with contributions by leaders in the field this handbook should top the list of must have publications for all forensic social workers
