henry lasoski an officer in the polish army was there on the first day of world war ii thrusting his bayonet awkwardly into a german soldier hours after hitler s army invaded his homeland in 1939 and jacques smith was there on the last a member of the honor guard aboard the uss missouri in tokyo bay when the japanese signed the documents of surrender in 1945 from start to finish this chronicle of fifty three personal testimonies illuminates the second world war in a way no mere accumulation of facts can in a journalistic tour de force elizabeth mullener over the course of twelve years found eyewitnesses to virtually every major event of world war ii and she found them all in one american city new orleans some are natives of the city and some are not a testament to the upheaval of war and its power to scatter people around the globe the people she writes about are not grand heroes or prime movers they are young men shaking in their foxholes young women stitching up wounded soldiers and children facing a world gone topsy turvy and they saw it all they witnessed the london blitz and the siege of stalingrad the attack on pearl harbor and the bataan death march the battle of iwo jima and the nuremberg trials the normandy invasion and parties at the uso their memories are powerful harold eck recalls sharks grazing his legs as he treaded water for four days after the uss indianapolis sank in the pacific ocean anthony delucca saw bodies stacked like cordwood at buchenwald christine strevinsky slid a knife through the neck of a nazi commandant at the age of nine frank rosato played the missouri waltz for harry truman at potsdam all poignantly related through mullener s graceful and compelling prose the episodes in war stories provide an unusually intimate history of world war ii and a direct visceral connection to the central event of the twentieth century

war continues to occur and bewilder despite the keen attention of scholars generals and officials this book takes accounts of war told interpreted retold recast and enacted as its focus it argues that war propagates from war stories into plans for the future the vehicle is politics ongoing surging negotiation of interpretations and designs politics defies closure in civil society but governments must take authoritative decisions if war stories in circulation confirm war preparations war threats and war itself as appropriate for their circumstances governments organize for war and undertake matching designs and choices a war avoidance policy delegitimizes the war choice providing robust alternatives in mutual reassurance and collective security

stephen crane was a prominent american writer near the turn of the

20th century despite only living to be 28 crane was very prolific and his writing was well respected by other great authors throughout the world crane s best known work includes the novels the red badge of courage and maggie a girl of the streets as well as his short story collections this is an excellent collection of short war stories told from the perspective of a correspondent reporting on the cuban war of independence

a fascinating account of ordinary men and women swept up in the turbulence of conflict war stories tells the tales of thirty four individuals who have pushed the boundaries of love bravery suffering and terror beyond the imaginable these stories span three centuries and five continents there is the courage of edward seager who survived the charge of the light brigade the cunning of krystyna skarbek quick thinking spy and saboteur during the second world war the skullduggery of benedict arnold who switched sides in the american war of independence and the compassion of magdalene de lancey who tenderly nursed her dying husband at waterloo told with vivid narrative energy and full of unexpected insights war stories moves effortlessly from tales of spies escapes and innovation to uplifting acts of humanity in times of crisis celebrating men and women whose wartime experiences are beyond compare

american war stories asks readers to contemplate what traditionally constitutes a war story and how that constitution obscures the normalization of militarism in american culture the book claims the traditionally narrow scope of war story as by a combatant about his wartime experience compartmentalizes war casting armed violence as distinct from everyday american life broadening war story beyond the specific genres of war narratives such as war films war fiction or war memoirs american war stories exposes how ingrained militarism is in everyday american life a condition that challenges the very democratic principles the united states is touted as exemplifying
