have participated in ayahuasca rituals and experienced major life changes as a result he details the scientific discovery of ayahuasca's sophisticated psychoactive delivery system in the brain and body as well as the deep psychological impact of this potent entheogen he concludes with his own findings on ayahuasca including its applications in medicine and psychology and compares the worldview revealed by ayahuasca visions to that of modern cultures

gnostic texts are filled with encounters of strange otherworldly beings journeys to visionary heavenly realms and encounters with the presence and spirit of the divine in gnostic visions author and gnostic scholar luke a myers presents evidence demonstrating how gnostic visions were created and the connection these visions have to naturally occurring visionary compounds that are still in existence today the culmination of more than ten years of research gnostic visions advances the understanding of classical ethnobotany gnosticism and the genesis of early christian history in this book the author discusses the prehistoric foundations of early human religion as well as the visionary religious traditions of the classical greeks and egyptians using these as a foundation the book presents new and never before seen research explaining how gnostic visions were created and what types of compounds were used by these ancient people to create them gnostic visions presents evidence directly linking visionary ayahuasca analogs with the creation of gnostic and hermetic visionary experiences gnostic visions also describes the decline of gnosticism other visionary practices used in the dark ages and gives a brief tour of the visionary plants of the new world in gnostic visions myers tells of his personal experience with the divine and includes some of his own reflections of the importance of mankind's relationship to the natural world he communicates that altered states of consciousness have been responsible for many of the most profound mystical religious experiences in human history

a lively travelogue this book follows the author's psycho-spiritual odyssey in search of ayahuasca a dark psychedelic brew known as the vine of the dead trekking through the rain forests of peru colombia brazil venezuela and ecuador in search of enclaves where ayahuasca is taken in the dark of night at ceremonies presided over by shamans the author shares his experiences with otherworldly songs that are both magical and healing and ignite in him a new enchantment with life and a burgeoning sense of connection with the natural world

this is a pioneering cognitive psychological study of ayahuasca a plant-based amazonian psychotropic brew benny shanon presents a comprehensive charting of the various facets of the special state of mind induced by ayahuasca and analyzes them from a cognitive psychological perspective he also presents some philosophical reflections empirically the research presented in this book is based on the systematic recording of the author's

extensive experiences with the brew and on the interviewing of a large number of informants indigenous people shamans members of different religious sects using ayahuasca and travellers in addition to its being the most thorough study of the ayahuasca experience to date the book lays the theoretical foundations for the psychological study of non ordinary states of consciousness in general

in the upper amazon mestizos are the spanish speaking descendants of hispanic colonizers and the indigenous peoples of the jungle some mestizos have migrated to amazon towns and cities such as iquitos and pucallpa most remain in small villages they have retained features of a folk catholicism and traditional hispanic medicine and have incorporated much of the religious tradition of the amazon especially its healing sorcery shamanism and the use of potent plant hallucinogens including ayahuasca the result is a uniquely eclectic shamanist culture that continues to fascinate outsiders with its brilliant visionary art ayahuasca shamanism is now part of global culture once the terrain of anthropologists it is now the subject of novels and spiritual memoirs while ayahuasca shamans perform their healing rituals in ontario and wisconsin singing to the plants sets forth just what this shamanism is about what happens at an ayahuasca healing ceremony how the apprentice shaman forms a spiritual relationship with the healing plant spirits how sorcerers inflict the harm that the shaman heals and the ways that plants are used in healing love magic and sorcery

used for thousands of years by indigenous tribes of the amazon rain forest the mystical brew ayahuasca is now becoming increasingly popular in the west psychologist rachel harris here shares her own healing experiences and draws on her original research the largest study of ayahuasca use in north america into the powerful medicine s effects on depression addiction ptsd and anxiety in this wide ranging and personal exploration harris details ayahuasca s risks and benefits helping readers clarify their intentions and giving psychotherapists a template for transformative care and healing

this book covers the psychedelic ayahuasca tourism in peru with its facet rich psychological pharmacological anthropological and sociological aspects the reader gets an interdisciplinary insight into the historical development and the current state of ayahuasca research findings from three empirical studies are presented which the author has won in a 4 year field research how do common standards develop in this particular form of psycho spiritual tourism why are people from developed nations and urban centres heading to the amazon to ingest the psychedelic beverage ayahuasca how do they experience such ceremonies and retreats which insights personal meaning and effects do they gain and how do they integrate their experiences into the everyday life

in this book amar sahota dives deep into the mystery of ayahuasca what is it where does it

take you why is it so healing why is it so terrifying amar gives you his detailed experiences of what exactly happened to him in the amazonian jungle along with a general overview of what ayahuasca is how it works on the mind body and soul and how a life can transform with the use of it this is a great book if you are considering having an ayahuasca adventure of your own or are curious about what this plant medicine is exactly

this book presents a series of perspectives on the therapeutic potential of the ritual and clinical use of the amazonian hallucinogenic brew ayahuasca in the treatment and management of various diseases and ailments especially its role in psychological well being and substance dependence biomedical and anthropological data on the use of ayahuasca for treating depression ptsd and substance dependence in different settings such as indigenous contexts neo shamanic rituals contemporary therapeutic circles and in ayahuasca religions in both south and north america are presented and critiqued though multiple anecdotal reports on the therapeutic use of ayahuasca exist there has been no systematic and dense reflection on the topic thus far the book brings the therapeutic use of ayahuasca to a new level of public examination and academic debate the texts in this volume stimulate discussion on methodological ethical and political aspects of research and will enhance the development of this emergent field of studies

dive into the fascinating journey of deni van a professional linguist and master hypnotist who fearlessly shares her transformative journey of healing through the ancient plant medicine ayahuasca join her as she navigates the depths of consciousness and explores new realms of self discovery in this captivating narrative that intertwines language expertise with spiritual exploration discover how deni s unique perspective offers insights into the power of healing and personal growth through alternative modalities

the ayahuasca test pilots handbook provides a practical guide to ayahuasca use aiding seekers in making right and safe decisions about where to go who to drink with and what to expect ayahuasca the amazonian psychoactive plant brew has become vastly popular once the sole purview of shamans and indigenous native people in the great amazon rainforest ayahuasca is now becoming well known and widely used around the globe today foreigners from all over the world flock in ever burgeoning numbers to the steamy amazon drinking bitter ayahuasca with shamans and curanderos in order to access its potent healing and spirit enlivening effects what began as a mere trickle of visitors in the 1980s has become a surging riptide of seekers chris kilham fox news s medicine hunter has worked closely with south american shamans for two decades and has sat in ayahuasca ceremonies with at least 20 different shamans through his ayahuasca test pilots program kilham has brought numerous people to the amazon to engage in ceremonies with maestro ayahuasceros clear concise straightforward and well informed the ayahuasca test pilots handbook is an indispensable guide for anyone curious about this unusual plant

medicine

a what to expect guide for first time ayahuasca users paired with accounts from the author s extensive shamanic experiences in the amazon describes how to prepare for the first ceremony what to do in the days afterward and how to maintain a shamanic healing diet details some of the author s own ayahuasca experiences including an intensive trip in 2009 when he underwent 17 ceremonies explores the many other plants that are part of the ayahuasca healer s medicine cabinet as well as the icaros healing songs of the ayahuasca shaman since 1999 jan kounen has regularly traveled to the peruvian amazon to participate in ayahuasca ceremonies at first only a curious filmmaker over multiple trips he transformed from explorer to apprentice to ayahuasquero and often found himself surrounded by other foreigners coming to the jungle for their first taste of ayahuasca medicine knowing how little guidance is available on how to prepare or what to expect he naturally offered them advice part visionary ayahuasca memoir and part practical guide this book contains the same step by step advice that kounen provides first time ayahuasca users in the jungle he describes how to prepare for the first ceremony and what to do in the days afterward he explores how to deal with the nausea and details the special preparatory diets an ayahuasca shaman will put you on often lasting for months but necessary for life transforming results and teachings from the plant spirits he also explains how it is far easier to maintain these restrictions in the jungle than in the city detailing his own ayahuasca experiences over hundreds of sessions including a trip in 2009 when he underwent 17 ceremonies in 25 days kounen describes how ayahuasca transformed him he tells of his meetings with shipibo healers including kestenbetsa who opened the doors of this world for him and panshin beka the shaman to whom kounen became an apprentice he details the many other plants and foods that are part of the ayahuasca healer s medicine cabinet such as toé and tobacco as well as their icaros or healing songs a veritable what to expect guide this book should be your first step prior to committing to ayahuasca

a compilation of writings on the chemical biological psychological and experiential dimensions of ayahuasca includes 24 firsthand accounts of ayahuasca experiences and resulting life changes including contributions from j c callaway charles s grob and dennis j mckenna discusses the medical and psychological applications of ayahuasca ayahuasca is a hallucinogenic amazonian plant mixture that has been used for hundreds perhaps thousands of years by native indian and mestizo shamans in peru colombia and ecuador for healing and divination many western trained physicians and psychologists have acknowledged that this substance can allow access to spiritual dimensions of consciousness even mystical experiences indistinguishable from classic religious mysticism in sacred vine of spirits ayahuasca ralph metzner a pioneer in the study of consciousness has assembled a group of authoritative contributors who provide an exploration of the chemical biological psychological and experiential dimensions of

ayahuasca he begins with more than 20 firsthand accounts from westerners who have used ayahuasca and then presents the history psychology and chemistry of ayahuasca from leading scholars in the field of psychoactive research he concludes with his own findings on ayahuasca including its applications in medicine and psychology and compares the worldview revealed by ayahuasca visions to that of western cultures

by now you are probably aware of the indigenous amazonian plant medicine ayahuasca and its popularity around the globe as a spiritual and therapeutic tool ayahuasca is a unique brew with a rich history made from the sacred vine *banisteriopsis caapi* and the leaves of a plant containing dmt sometimes called the spirit molecule you may have seen or heard references to ayahuasca in the media or in casual conversation or you may know someone who has tried it or who wants to try it you may be wondering what it is and if it is a legitimate healing modality or just another unsubstantiated wellness fad you may also be curious as to how a hallucinogenic tea which is illegal in most countries came to be lauded not only by average people but by scientists and scholars as a powerful treatment for spiritual and psychological disorders you may also be curious as to why people would risk sometimes serious legal repercussions to use it when they could easily obtain an fda approved if unhelpful and potentially harmful pharmaceutical drug from their doctor ayahuasca the psychedelic experience will give you as many answers to your questions as you can get without actually drinking it after reading this book you ll understand the history of the tea its place in amazonian cultures how shamans conduct ayahuasca ceremonies and what the ayahuasca boom means to amazonian people and the burgeoning international community of people who use it you ll learn what effects it has on the user both in the short and the long term you ll also learn about how to safely navigate finding a ceremony in the amazon and what to expect from one after you find it in this book you ll learn what is ayahuasca the origin of ayahuasca history of ayahuasca and how it became known in the west how to make and prepare ayahuasca what ayahuasca is used for how ayahuasca is traditionally administered different uses of ayahuasca and why one would choose a certain use the science behind ayahuasca effects of ayahuasca in the body controversy around ayahuasca and so much more people are growing increasingly tired of being dictated to regarding how they treat their own bodies and minds and as a result they are turning towards alternative methods of holistic healing and spiritual development this psychedelic plant medicine is legal in the amazonian countries where it is traditionally used and thousands of people from every corner of the world travel to south america every year to treat themselves for conditions that they can t receive adequate treatment for at home others hold secret ayahuasca circles in countries where possession of the medicine is prohibited in spaces such as diverse modest apartments or rented rooms or million dollar mansions from the amazon rainforest to silicon valley to remote swedish provinces la medicina is the people s choice of treatment for the physical mental and

spiritual disorders of our time learn more about this fascinating and versatile tea and use the knowledge you gain to decide for yourself whether you are ready to take the next step on your ayahuasca journey this book is a one stop shop for anything the potential journeyer might need to know about this amazing and transformative sacrament it has been used in the jungle for countless generations and only in modern times have westerners been able to access this life changing experience with this book as your guide you ll have everything you need to know to begin planning your own experience grab your copy of ayahuasca the psychedelic experience now

explore the history power of this plant as well as the science behind it ayahuasca has the potential to unlock deep layers of personal understanding and growth all while providing an experience of the divine this book is sure to provide readers with insights into the potentials of ayahuasca and put them on the pathway to understanding its many mysteries inside you will discover should you try ayahuasca burning questions answered a first timer s guide to an ayahuasca retreat how to find a real shaman and not be scammed what to expect during an ayahuasca ceremony benefits side effects do s don ts exploring the effects of psychedelics on the human brain and physiology everything you need to know about microdosing how it affects mental health magic mushrooms peyote mescaline and more psychedelics explained law all you need to know about it s legality why it s extremely important to understand what psychedelics may reveal to you about your own death and spirituality and much much more get ready to explore and discover this incredible plant begin now with this book important information this is not a book about drugs this is a book about the exploration of the human mind where the use of certain plants forms one part of the process this book does not explicitly advocate the use of ayahuasca

a portrait of an optimist with curiosity and affection for humanity in all its forms the new york times book review theroux is at the top of his game with his third collection of essays a magisterial grouping of intimate remembrances globe trotting adventures and incisive literary critiques publishers weekly starred review theroux s observations are so keen and writerly skills so sharp that he butter slices narratives with a razor thin surgeon s scalpel masterfully serving up both the world s dark underbelly and its gloriously uplifting sustenance of love longing and wonder lust forbes paul theroux s latest collection of essays applies his signature searching curiosity to a life lived as much in reading as on the road this writerly tour de force features a satisfyingly varied selection of topics travel essays take us to ecuador zimbabwe and hawaii to name a few gems of literary criticism reveal fascinating depth in the work of henry david thoreau muriel spark joseph conrad and hunter thompson and in a series of breathtakingly personal profiles we take a helicopter ride with elizabeth taylor go diagnosing with oliver sacks eavesdrop on the day to day life of a manhattan dominatrix and explore new york with robin williams an
