this study demonstrates how agnon combined traditional hebrew lore modern literary devices and especially highly crafted dream sequences revealing subconscious motivations behind apparently fortuitous acts and decisions thus creating a unique narrative form reflecting the indeterminacy of human behaviour

shmuel yosef agnon 1888 1970 winner of the nobel prize for literature in 1966 and the undisputed master of the hebrew novel still remains largely an unknown or even misunderstood figure agnon's innovation was to construct an intricate dialectic between hebrew tradition and the modern predicament thereby producing a very distinctive mode of modernist narrative agnon deployed a technique of rich allusiveness drawn from traditional hebrew lore and language using free association especially by means of imaginative dream sequences designed to unveil the ambivalent but fateful meanings in the apparently inconsequential events and thoughts which determine the lives of his characters this book explores the methods and materials of agnon's art so as to provide the english reader with insight into his unique fictional world and it proposes a fresh approach to the reading of agnon which will also be of interest to those familiar with his work and the crucial literature on it
