in family likeness michael curtis describes a vivid and at times unsettling world there are moving and apt memorials to war dead and to family members some only recently uncovered from a hidden past alongside a portrait of post war life as a child in liverpool and perfectly rendered scenes of kentish life here and now these poems span time with compassion and insight to make a substantial and impressive collection

deep in a secret underground laboratory hidden in the plains of the midwest a group of scientists find

themselves in danger achieving cutting edge breakthroughs in genetic engineering they have created powerful viruses the likes of which the world has never seen they're playing god but their creations have the power to turn on them and do the scientists work for the U.S. military developing biological weapons of mass destruction in direct violation of federal and international law but it's a necessary evil for while these brilliant men and women create microscopic monsters they work even harder to try to develop antidotes to stop them some monsters can't be contained though or stopped when an accident unleashes one of their creations Craig Leland commander of the underground laboratory and his team watch in horror as the virus attacks and kills one of their own they reel struggling to come to grips with their loss but their nightmare is just beginning for once a monster feeds it wants more and all is not as it seems in a race against time with no way out Craig must fight for his team's survival and the woman he secretly loves

the third republic of France was characterized by weak and short term governments this book is a study of three writers Georges Sorel Maurice Barrès and Charles Maurras their writings in the years between 1885 and 1914 and their reactions to the deficiencies they saw in the third republic and in the system of French democracy the study begins in 1885 with the appearance of certain new political factors it ends in 1914 because the three writers had by this time completed their original contributions to the thought of the country even if not their total impact on France a relative position of each of these figures in the French political spectrum is deduced from a combination of attitudes toward a number of issues these include the extent of economic and social reform centralization of the power of the state the nature of the parliamentary system the desirability of political parties the relation of church and state the responsibility of authority the use of force or coercion and national power versus international collaboration their views span the political spectrum Sorel Barrès and Maurras are important not only because they provided the chief ideological weapons for the attack on the regime but also in a wider context because they contribute significantly to understanding of a later period of European political history in their contemporary significance all three illustrated the various attitudes of the conservative the reactionary and the moralist the names and parties may have changed but the same ideas continue to impact French politics and Western ideology today this is a key book for an epoch whose importance lingers in current discourse

when renowned fiction editor C. Michael Curtis moved from Boston to a small college town to accept a

distinguished chair in the english department he assumed he d be far from a literary center but curtis long time fiction editor of the atlantic magazine and self professed habitual anthologist found himself in a pocket of extraordinary writers in spartanburg south carolina home of the hub city writers project the venerable literary editor s exploration of his new city has led to the publication of expecting goodness a collection of twenty southern short stories by both established and up and coming authors who remarkably share the same hometown

in the spring of 400 b c ten thousand battered greek soldiers stagger out of the frozen mountains of armenia into a small hellenic trading post on the eastern black sea their stunning tale of survival is the source of this epic debut in the tradition of gates of fire

the verses of modern art an exhibition in criticism a book of poems by michael curtis are intended to be employed like a rusty nailed fencepost by which you may beat pretentious modernists about the head repeatedly the author leaves out no cheap trick of meter or of rhyme to achieve his ends he employs adolescent sing song doggerel slanting rhyme in short every mischief making device he can borrow or invent is used in a manner that would shame lesser poets yes he stoops to conquer indeed conquest is his aim his tactic wit his weapons mudslinging ridicule name calling and other dirty tricks of antique pedigree

in his unique and indomitable style dr michael curtis brings yet another clear and concise pre sentation of the reality facing israel and the world utilizing the metaphor of the miner s canary used to give warning to the presence of poisonous gas curtis deftly lays out for the reader how the attitudes lies and false dealings of the international community are used against israel and suggests they are not isolated in their impact only on israel rather they are but a canary s warning to the rest of the western demo cratic world of their own impending danger to those who are unaware of the multifarious and insidious ways in which antisemitism rears it ugly head and that includes all who receive their news through the major news networks the information laid out by dr curtis will have the initial impression of being surreal for the sake of israel and the rest of the free world it is hoped that the initial impression is short lived

a little book of verse of lies of love of folly of joy of pain of hurt a book of rhyme and rhythm alike the rhythm of a song from a sparrow landed on a thorn pricking through his heart within this pretty book are found 22 dramatic sonnets and 37 beautifully crafted lyric didactic and narrative verses of love of lies and of the follies we all share

by analyzing nazi germany fascist italy and the soviet union under stalin the author attempts to determine if totalitarianism is a separate political genre or a subset of authoritarian government and what its basic characteristics are

lives of the saints the sacraments the way of christ god the father his creation the universe man that creature part beast part angel in soul divine in action a sinner redeemed by love here for your consideration our confession

to the romans the greatest enemy the republic ever faced was not the goths or hunns nor even hannibal but rather a ferocious and brilliant king on the distant black sea mithridates eupator vi of pontus known to history as mithridates the great at age eleven mithridates inherited a small mountain kingdom of wild tribesmen which his wicked mother governed in his place sweeping to power at age twenty one he proved to be a military genius and quickly consolidated various fiefdoms under his command since rome also had

expansionist designs in this region bloody conflict was inevitable over forty years rome sent its greatest generals to contain mithridates and gained tenuous control over his empire only after suffering a series of devastating defeats at the hands of this cunning and ruthless king each time rome declared victory mithridates considered it merely a strategic retreat and soon came roaring back with a more powerful army than before bursting with heroic battle scenes and eloquent storytelling michael curtis ford has crafted a riveting novel of the ancient world and resurrected one of history s greatest warriors
