ravensbrück was the only major nazi concentration camp for women drawing upon more than sixty narratives and interviews of survivors in the united states israel and europe as well as unpublished testimonies documents and photographs from private archives saidel provides a portrait of ravensbrück s jewish women prisoners their memoirs provide new perspectives and information about satellite camps there were about 70 slave labor sub camps here is the story of real daily camp life with the women s thoughts about food friendships fear of rape and sexual abuse hygiene issues punishment work and resistance saidel includes accounts of the women s treatment their daily struggles to survive their hopes and fears their friendships their survival strategies and the aftermath

a masterly and moving account of the most horrific hidden atrocity of world war ii ravensbrück the only nazi concentration camp built for women on a sunny morning in may 1939 a phalanx of 867 women housewives doctors opera singers politicians prostitutes was marched through the woods fifty miles north of berlin driven on past a shining lake then herded in through giant gates whipping and kicking them were scores of german women guards their destination was ravensbrück a concentration camp designed specifically for women by heinrich himmler prime architect of the holocaust by the end of the war 130 000 women from more than twenty different european countries had been imprisoned there among the prominent names were genevi ve de gaulle general de gaulle s niece and gemma la guardia gluck sister of the wartime mayor of new york only a small number of these women were jewish ravensbrück was largely a place for the nazis to eliminate other inferior beings social outcasts gypsies political enemies foreign resisters the sick the disabled and the mad over six years the prisoners endured beatings torture slave labor starvation and random execution in the final months of the war ravensbrück became an extermination camp estimates of the final death toll by april 1945 have ranged from 30 000 to 90 000 for decades the story of ravensbrück was hidden behind the iron curtain and today it is still little known using testimony unearthed since the end of the cold war and interviews with survivors who have never talked before sarah helm has ventured into the heart of the camp demonstrating for the reader in riveting detail how easily and quickly the unthinkable horror evolved far more than a catalog of atrocities however ravensbrück is also a compelling account of what one survivor called the heroism superhuman tenacity and exceptional willpower to survive for every prisoner whose strength failed another found the will to resist through acts of self sacrifice and friendship as well as sabotage protest and escape while the core of this book is told from inside the camp the story also sheds new light on the evolution of the wider genocide the impotence of the

world to respond and himmler's final attempt to seek a separate peace with the allies using the women of ravenbrück as a bargaining chip chilling inspiring and deeply unsettling ravenbrück is a groundbreaking work of historical investigation with rare clarity it reminds us of the capacity of humankind both for bestial cruelty and for courage against all odds

the french mother teresa tells for the first time of her experience in the concentration camp at ravenbrück reviving a poignant reminder of the holocaust that must never be forgotten

in the wake of the second world war how were the allies to respond to the enormous crime of the holocaust even in an ideal world it would have been impossible to bring all the perpetrators to trial nevertheless an attempt was made to prosecute some most people have heard of the nuremberg trial and the eichmann trial though they probably have not heard of the kharkov trial the first trial of germans for nazi era crimes or even the dachau trials in which war criminals were prosecuted by the american military personnel on the former concentration camp grounds this book uncovers ten forgotten trials of the holocaust selected from the many nazi trials that have taken place over the course of the last seven decades it showcases how perpetrators of the holocaust were dealt with in courtrooms around the world in the former soviet union the united kingdom israel france poland the united states and germany revealing how different legal systems responded to the horrors of the holocaust the book provides a graphic picture of the genocidal campaign against the jews through eyewitness testimony and incriminating documents and traces how the public memory of the holocaust was formed over time the volume covers a variety of trials of high ranking statesmen and minor foot soldiers of male and female concentration camps guards and even trials in israel of jewish kapos to provide the first global picture of the laborious efforts to bring perpetrators of the holocaust to justice as law professors and litigators the authors provide distinct insights into these trials

in june 1991 sitting in his hospital room contemplating cardiac bypass surgery my father said *vus ich hot adorch geleibt* what i have lived through i wasn't sure at the time if he meant his recent heart attack but over time especially after researching his journey it became clear to me i thought i knew my dad's plight only to realize some of his most horrible experiences were never brought to my attention the adage of the first casualty of war is the truth hung in the balance with loss and trauma deserves its own sanctity helen friedman and sam bagel walked through the shadows of death lost their entire nuclear families and like the phoenix bird re-emerges from its own ashes they too resurrected themselves to start a family be

happy and thankful people

nursing history review an annual peer reviewed publication of the american association for the history of nursing is a showcase for the most significant current research on nursing history regular sections include scholarly articles over a dozen book reviews of the best publications on nursing and health care history that have appeared in the past year and a section abstracting new doctoral dissertations on nursing history historians researchers and individuals fascinated with the rich field of nursing will find this an important resource

winner of the longman history today book prize a profoundly moving chronicle observer that tells the story of ravenstrück the only concentration camp designed specifically for women using new testimony from survivors on a sunny morning in may 1939 a phalanx of 800 women housewives doctors opera singers politicians prostitutes were marched through the woods fifty miles north of berlin driven on past a shining lake then herded through giant gates whipping and kicking them were scores of german women guards their destination was ravenstrück a concentration camp designed specifically for women by heinrich himmler prime architect of the nazi genocide for decades the story of ravenstrück was hidden behind the iron curtain and today is still little known using testimony unearthed since the end of the cold war and interviews with survivors who have never spoken before helm has ventured into the heart of the camp demonstrating for the reader in riveting detail how easily and quickly the unthinkable horror evolved it not only fills a gap in holocaust history but it is an utterly compelling read taylor downing history today a sense of urgency infuses this history which comes just in time to gather the testimony of the camp s survivors meticulous unblinking helm s book comes not a moment too soon the economist

the encyclopedia of women in world history captures the experiences of women throughout world history in a comprehensive 4 volume work although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history the past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the western world but across the globe historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region they have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected the oxford encyclopedia of women in world history benefits

greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes the encyclopedia contains over 1 250 signed articles arranged in an a z format for ease of use the entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the egyptian uprising and the paris commune womens and gender studies and topics in world history that include slave trade globalization and disease with its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

this is the first volume on the subject of the alleviation of world suffering at the same time it is also the first book framing the fields of global socio economic development world health human rights peace studies sustainability and poverty within the challenge of alleviating suffering and improving quality of life both international studies and global development have become specialized and fragmented whereas this work assembles all of these development fragments together in order to determine whether common ground exists to make headway in reducing global suffering leading experts in these various fields of development and suffering have been recruited worldwide to give scholarly assessments of the major human problems and how they can be successfully tackled

this book considers tourism to memorial sites from a visitor s point of view challenging established theories in tourism and memory studies by critically appraising germany s often celebrated memory culture based on visitor observations and exit interviews this book examines how domestic and international visitors negotiate their visits to the concentration camp memorials ravenbrück and flossenbürg the house of the wannsee conference and the former stasi prison bautzen ii it argues that memorial sites are melting pots where family national and global narratives meet for german visitors the visit to memorial sites is a confrontation with germany s responsibility for the two dictatorships while for international visitors it can be a form of seeing is believing ultimately it is the immediacy of the space that is the most important part of the visit rooted in an interdisciplinary approach this book will be of interest to academics and students in german studies tourism and heritage studies museum studies public history and memory studies

one woman s memories of her deportation to ravenbrück concentration camp for women in july 1941

an eyewitness account of the only all women s concentration camp in the third reich

presents a case study of the ravenbruck concentration camp the only nazi camp in germany specifically designed for women it successfully blends the larger history of nazi germany with the women s experiences interspersing the text with illustrations done mostly by camp inmates

a brief history of the lives and crimes of the 27 women executed by the british authorities between 1900 and 1955 including the ten female war criminals from world war ii and ruth ellis the last woman hanged in britain

accompanying cd rom includes the names of all known jewish prisoners of ravenbreuck
