the statistics are alarming islam is growing while christianity is declining in western nations unknowingly most christians are contributing to this problematic trend muslims 5 biblical essentials every christian must know and do brings to light five simple actions that jesus taught modeled and commanded of his followers these principles have proven to be the most effective way to engage muslims used by thousands of christians with extraordinary success if you are concerned or are simply curious about muslims this book will equip you with the right words and practical steps to make a difference in your own community

in examining the recorded memoirs of fifty holocaust survivors david patterson draws on the teaching of the sacred texts of jewish tradition and the philosophy of emil fackenheim and emmanuel levinas that memory he argues serves three purposes for jews struggling to recover after the holocaust first a recovery of tradition not only was the body of israel targeted for destruction but also its very soul as that soul was defined by god torah and sacred history second a recovery from an illness these jews suffer from the illness of indifference that plagued heaven and earth throughout the event third these memoirs reveal the open ended nature of recovery as a process that has no resolution the survivors emerge from the camps but the camps stay with the survivors and cast their shadow over the world readers are transformed into witnesses who face a never ending process of remembrance for the sacred in spite of indifference

water shapes the planet and all life upon it breaking down traditional disciplinary barriers this accessible holistic introduction to the role and importance of water in earth s physical and biological environments assumes no prior knowledge it provides the reader with a clear and coherent explanation of the unique properties of water and how these allow it to affect landscapes and underpin all life on earth contemporary issues surrounding water quality such as the rise of microplastics and climate change are highlighted ensuring readers understand current debates giving all of the necessary background and up to date

references and including numerous examples and illustrations to explain concepts worked mathematical calculations and extensive end of chapter questions this is the ideal introductory textbook for students seeking to understand the inextricable links between water and the environment

john h walton is a significant voice in old testament studies who has influenced many scholars in this field as well as others this volume is an acknowledgment from his students of walton s role as a teacher scholar and mentor each essay is offered by scholars and former students working in a range of fields from old and new testament studies to archaeology and theology they are offered as a testimony and tribute to walton s prolific career

a collection of poems on general themes written simultaneously with lessons in despair a song of hope within the months of march may 2015 at a time when persecution falls for my lot within my immediate family as a result of my change in religious orientation this collection of poetry documents the strife going on inside my head the many attempts to understand the other the way i d like to be understood this collection points out the other side of life outside their created wall to hold me down this collection of poems also serves as a prelude to the mundane a biting spectacle
