there is an old fundamentalist argument that the world will eventually be destroyed in the apocalypse so there is no point in caring for it when one reads about the delicate balance of the first moments of the cosmos one can only marvel at the process which brought about the existence of the earth and the creatures that inhabit it one of theo mccall s joys in life is cycling he lives in the city of adelaide south australia a perfect city for cycling when he first began this project once or twice a week he would cycle in the early morning the last part of the return trip would involve riding eastwards into the rising sun whenever he felt the warmth of the sun on his face and was aware of its sheer power and energy he was convinced that the universe is an overwhelmingly beautiful place which god would never abandon or destroy it is with this complete faith in god s love for creation that he set out to write an account of how this creation with all its beauty and fragility as well as its flaws and scars might be transformed into god s new creation given the ecological crisis that we face how can we meaningfully talk about the consummation of all things without removing the impetus for ecological action in other words is it possible to develop an ecological eschatology

no description available

a mock self help book designed not to help but to provoke to inveigle us into thinking about who we are and how we got into this mess los angeles times book review filled with quizzes essays short stories and diagrams lost in the cosmos is national book award winning author walker percy s humorous take on a familiar genre as well as an invitation to serious contemplation of life s biggest questions one part parody and two parts philosophy lost in the cosmos is an enlightening guide to the dilemmas of human existence and an unrivaled spin on self help manuals by one of modern america s greatest literary masters

legends of the jews is a most remarkable and comprehensive compilation of stories connected to the hebrew bible it is an indispensable reference on that body of literature known as midrash the imaginative retelling and elaboration on bible stories in which mythological tales about demons and magic co exist with moralistic stories about the piety of the patriarchs

recently the contract section of the german civil code was amended after one hundred years of un altered existence the german law of contract radically recast enlarged and re written since its first edition now details and explains for the first time these changes for the benefit of anglophone lawyers one hundred and twenty translated contract decisions also make this work a unique source book for students academics and practitioners along with its companion volume the german law of torts the two volumes provide one of the fullest accounts of the german law of obligations available in the english language through its method of presentation of german law the book represents an original contribution to the art of comparison an additional feature of the contract volume is the way in which it reveals the growing impact which european directives are having upon the traditional liberal contract model thereby bringing german and english law closer to each other especially in the area of consumer protection
