a well written modern narrative of the political and military events leading up to during and after the german japanese war of 1914 the australain naval institute the german japanese war was a key yet often neglected episode in the opening phase of the first world war it had profound implications for the future particularly in respect of japan s acquisition of germany s micronesian islands japan s naval perimeter was extended and threatened the united states naval strategy of projecting force westward the campaign to relieve germany of tsingtau the port and naval base in china and its hinterland posed a grave threat to chinese independence the course of the second world war in china and the pacific cannot be explained without reference to these events charles stephenson s account makes fascinating reading the siege of tsingtau by the

japanese with token british participation forms the core of his story he draws on japanese and german primary sources to describe the defenses the landings the course of the siege and eventual german surrender his study will be absorbing reading for anyone interested in the campaigns of the first world war outside of europe in german colonial expansion and the rise to power of japan overall the volume delivers a much needed interesting and often highly detailed overview of operations in the pacific and the siege of tsingtau the volume excels especially in its detailed narrative of naval and land operations in the pacific and in china the geopolitical background provides a most useful introduction to the history of the region international journal of maritime history

in 1914 europe was not the only continent coming to terms with a new form of conflict through a mix of complex alliances and global ambition the war had spread to northern china where the german held port of tsingtao became a key battleground to strike a blow at kaiser wilhelm s naval forces britain and its ally japan lay siege to the port during october and november in the siege of tsingtao the first of the penguin china specials on the first world war celebrated historian jonathan fenby examines the causes of the battle the ulterior motives for it and the path it helped set east asia on for decades to come

this new history of modern japan covers its remarkable transformation from a small country on the fringe of international politics to the major world power it is today professor tsuzuki traces japan s pursuit of power first by military and then by economic means from her attempts to replace china at the centre of the confucian middle kingdom through the meiji nationalist response to the inroads of nineteenth century western imperialism and on to the post war usjapanese alliance powering the economic miracle of the last half of the twentieth century he examines japan s political intellectual and industrial development throughout the last two centuries with special attention to the wars that were fought and argues that the history of japan s modernization was closely linked to the growth of japan s own imperialism tsuzuki goes on to reveal how some of the factors which contributed to remaking japan as an economic giant have also been responsible for her recent economic and political difficulties

step into the heart of history with the war omnibus volume i from history nerds a sweeping exploration of six monumental wars that reshaped the world from napoleon s rise and fall in the napoleonic wars to serbia s fierce fight for independence in the serbian revolution and the epic clashes of the crimean war and american civil war this collection traces the struggles that defined nations dive into the global catastrophes of world war 1 and world war 2 where industrialized warfare forever

altered the human experience perfect for history enthusiasts this omnibus offers a gripping human centered narrative of warfare s greatest moments

vol 34 includes special tariff conference issue nov 6 1925

discusses the work done by ranchers the kind of skills and training they need and the types of animals they frequently raise
