Paulo Coelho's *A Warrior's Life* is the first ever biography of the man whose books have sold an astounding 100 million copies worldwide making him one of the bestselling authors of all time. Paulo Coelho's life begins with a complicated birth in Rio de Janeiro, Brazil, in August 1947. He was known as the boy who was born dead and who ultimately survived against all odds before he became internationally known as a worldwide bestselling author. Paulo lived many different lives: he flirted with suicide, was committed by his parents to insane asylums, suffered the brutality of electric shock therapy, dove into drugs, tried several varieties of sex, met the devil, spent time in prison, helped revolutionize Brazilian rock with musician Raul Seixas, and finally rediscovered his faith in 1986 as he walked the sacred road to Santiago de Compostela, a medieval pilgrim's route between France and Spain. Coelho would later describe this life-changing spiritual experience in his first book, *The Pilgrimage*. The following year, *The Alchemist* established his worldwide reputation. The novel has already achieved the status of a universally admired modern classic. Now for the first time, discover the life story of one of the most widely read and adored authors of our time.

This curious time travel novella is a gracefully told lesson about accepting fate or, as better suits this medieval Arabian setting, the will of Allah. A Baghdad merchant discovers an alchemical device that can send a traveler back in time 20 years despite the alchemist's warning that what is made cannot be undone. And three illustrative tales about others' attempts to alter the past: the merchant is determined to return to an earlier time to save his long dead wife.

Alfeo Zeno must clear Nostradamus' name after he's accused of poisoning a person to advance his own reputation.

When a mysterious envelope arrives for Jake Ransom, he and his older sister Kady are plunged into a gripping chain of events. An artifact found by their parents on the expedition from which they never returned leads Jake and Kady to a strange world inhabited by a peculiar mix of long lost civilizations, a world that may hold the key to their parents' disappearance. But even as they enter the gate to this extraordinary place, savage gracklys soar across the sky, diving to attack Jake's new friends. The pretty Mayan girl Marika and the Roman Pindor say the gracklys were created by an evil alchemist, the Skull King. And as Jake struggles to find a way home, it becomes obvious that what the Skull King wants most is Jake and Kady, dead or alive.
