please note this is a companion version not the original book sample book insights 1 money is a concept you can t really see or touch it except for when you hold a gold bar in your hand you can only do that with some physical symbol of it like stock certificates or a check 2 the only thing that can hold you back from

wealth is yourself and your own money myths rule 7 is about challenging those myths 3 to become wealthy you must first define what wealth means to you some people might not worry about having enough if they can pay for any emergency that might arise in their family or home so how will you define it by the number of cars you own servants cash in the bank value of your house portfolio of investments 4 defining what you mean by wealth is the first step in setting your objectives you must be honest and realistic with yourself when setting an objective if you aren't interested in learning about property don't have the money to get a mortgage or anything else then setting an objective to be a property developer isn't realistic or achievable

a personal code to think yourself smarter wiser and happier we all envy the natural thinkers of this world they have the best ideas make the smartest decisions are open minded and never indecisive is there something they know that the rest of us don't is it something we can all learn the answer is a resounding yes they know the rules of thinking these rules are the guiding principles that show you how to make wiser decisions stop procrastinating know when to compromise avoid mistakes find other options think well with others stop obsessing about things keep your brain active be more creative and have happy healthy thoughts
