these are all declared a winner of the the sarahu new 7 wonders of the world 2018 19 initiative sarahu 7 wonders faq s faq what is the difference between the sarahu new 07 wonders of the world and the new 07 wonders of the world there is so much difference because society has considered the wonders of the new seven through online voting but before they are called the wonders of the world we are not simply called the wonders of the world to enjoy the beauty it is not an equal thing to make a mere appearance a present day wonder if it is to be called a wonder of the world its subject matter and material vastness must be serious and should be equally important the new wonders of the world of sarahu have taken on a similar significance and content the wonders of sarahu alone are not the same as the look the material content within it is equally important there are so many beautiful things to see in the world there are material things that are natural and man made they are not called the world s greatest because its material content must be important and profound faq what is the new 07 world wonder and why can t sarahu here is considered the new 07 world wonders yes all the beautiful looks and beauty of the world is just a social one and it is a fortune that people call it the big seven wonders of the world has already done so but it was wrong because when it comes to evaluating its content it is not a great answer that is wrong to be truly a marvel is to have depth of material under evaluation we call such a thing the worlds wonderful evaluating by simply voting in the social sphere is not the right answer because the thing is the same i mean yoga also decides this if yoga is lacking in posterity the material content is as deep as it is beautiful but we haven t seen the seven new wonders of sarahu like them faq what is the online voting and what is audience recommendation to sarahu new 07 wonders of the world yes all the beautiful looks and beauty of the world is
